City Sewer Link to be Sought for Junior High

Pressure or Gravity
Line; Also Studying
Lagoon or Treatment

Permission to connect new
Grasby junior high school to the
Granite City sewer system will
be sought from the city council,
the school board decided Monday
night.

A discussion indicated that the
district is dropping its study of
the possibility of swapping its
20-acre tract for a new site closer
to the city limits. As a result,
the school is to be built at Pon-
toon and Carroll roads, as origi-
nally planned in the May 1964
bond issue election.

Any of four possible alterna-
tives will be relatively costly, but
provision for sewer service was
made in past fund allocations,
Supt. Russell D. Johnson told the
school board.

Two plans involve a city tap-
line: construction of a pump sta-
tion and installation of 3000
linear feet of six-inch cast iron
force main, \$37,280, with no pos-
sibility of permitting other taps
or obtaining city maintenance,
or construction of two
pumping stations and installation
of 3000 feet of eight-inch vitrified
sewer pipe, 13 manholes and 100
T connections to provide a gravi-
ty-type sewer, \$60,338, less pos-
sible future tap reimbursement.

Also under consideration are a
\$36,300 four-acre waste stabilization
lagoon, connected to the
school by 1200 feet of six-inch
force main, or a \$25,000 treat-
ment plant with a holding pond
on school property, surrounded
by an eight-foot-high fence.

The lagoon cost estimates do not
include the expense of leasing
land on which to locate it, or
of obtaining force main easements.

\$171,190 Aid Sought
Application was made for
\$171,190 federal tax aid this year
for "Project Life Off" under
Title I of the 1965 U.S. Educa-
tion Act.

Separate from Project Head
Start conducted last summer, it
is intended to aid 643 economi-
cally and culturally deprived
youngsters as well as helping
1400 others indirectly.

Emerson, Logan, Washington
and Webster grade schools have
been designated as centers, and
the project involves identification
and remedy of academic prob-
lems, health examinations and
nutrition, guidance and counsel-
ing and classes for pre-school-
ers during the regular school
year.

Also sought will be \$6740 for
library expansion under Title II
of the same law.

With notice received Monday
of rejection of a Title III Project
Counseling plan for continuous
in-service teacher training and
enrichment of the mathematics
program, the board decided to
seek an explanation, possibly
leading to a re-application.

Regular Meetings Scheduled By GC Air Pollution Board

Meeting for the first time with
the city's new technical advisor
last night, the Granite City Air
Pollution Control Commission de-
cided to strive for continuous
progress through regular meet-
ings.

Thomas Baker, chairman, said
the commission will meet regu-
larly at the city hall on the sec-
ond Wednesday of each month to
develop the program of controls
outlined in the air pollution
abatement ordinance adopted by
the city last year.

He added that the commission
also will meet with the state-
hired engineer who has been
assigned to the Madison-St. Clair
counties area by the Illinois Bu-
reau of Air Pollution Control.

Last night, the city's new tech-
nical advisor, Prof. E. C. Hoel-
scher of Washington University,
was given copies of air pollution
control programs submitted by
three of 15 major industries and
businesses in the city. He is to
review them for validity and
present recommendations to the
commission.

Baker said the technical ad-
visor or secretary also plans to
visit each of the major industries
and businesses in Granite City.
The commission voted to send
questionnaires to the industries
to get data on the types of fuel
and equipment now being used.

"This information will aid Prof.
Hoelscher in his studies, and the
questionnaires are to go out early
next week," Baker said.

The chairman issued a remind-
er to local industries and busi-
nesses giving notices last year to
submit their control programs to
the commission as quickly as
possible.

"We intend to get the ball roll-
ing to local industries and busi-
nesses giving notices last year to
submit their control programs to
the commission as quickly as
possible."

Other commissioners at last
night's meeting were Dr. Irvin
Wiesman, Alderman Sam Whit-
mer, Gilbert Sykes, William
Krause and Burton Bernard,
local attorney.

**Ice Rink Flooded—
Skating by Saturday?**
The ice rink in Wilson
Park was flooded again to-
day in anticipation of a cold
weekend.

Harold Brown, park district
superintendent, said if the
temperatures remain at 5 to
10 degrees for several days,
the rink should be ready for
ice skaters by Saturday.

He asked children to refrain
from throwing fire works into
the water as the ice will have
to be broken to remove it.

One-Way Street Changes to be Resubmitted to GC Council
Revision of the city's one-way
street system—proposed last
year—is being resubmitted to the
Granite City council without
change.

Copies of the recommendation,
agreed upon unanimously Mon-
day night by the citizens' Traffic
Study Commission, were distrib-
uted to the aldermen Tuesday.

Dale Arnette, local business-
man and chairman of the com-
mission, said 11 members were
present Monday night to meet
with George L. Crawford, city
traffic engineer, whose study calls
for reversal of northbound
Benton street and Grand avenue
and southbound Cleveland street,
extension of the one-way system
to 27th street, and maintaining
two-way traffic on Belmont ave-
nue and State street and north-
bound one-way traffic on Edison
avenue.

City-Wide Benefit
Arnette is calling upon coun-
cil members to consider the
overall benefits for movement
of city traffic rather than a
consideration only by wards.
He said the one-way system
extends from 27th to 20th
streets, Second, Third, Fourth and
Seventh wards.

The recommendation calls for
Benton street to be changed to
one-way southbound between 27th
and 20th streets; Cleveland to
be changed to one-way north-
bound between 27th and 20th
streets; Edison to remain one-way
northbound to extend from 18th
to 27th street; State street to re-
main two-way, and Grand to be
changed to one-way southbound
from 27th to 18th street.

The present one-way system
extends from 20th to 24th street
for Benton and Cleveland, and
from 18th to 24th street for Ed-
ison and Grand. Benton, Edison
and Grand are all one-way north-
bound, and Cleveland is one-way
southbound.

14 Street Lights For Alleys Ok'd By Madison Council

The Madison city council
agreed Tuesday night to juggle
a long, dark alley and in-
structed Illinois Power Co. to
install the lights.

Mayor Stephen Maeras noted
that under a standing agreement,
the city will pay for seven of
them. The lights will be similar
to those installed on city streets
last year.

The lights, to be installed at
the convenience of the utility, will
be located at the rear of 822 State
street, 825 Madison avenue, 905
low street, 901 Washington ave-
nue, 900 Lee avenue, 855 Alton
avenue, 1019 Greenwood street,
922 Reynolds street, 1022 State
street, 1025 Madison avenue, 1024
Iowa street, 1025 Washington
avenue, 1022 Lee avenue and 718
Jackson street.

Two bids on purchase of a
new police patrol car were re-
ferred to the purchasing com-
mittee for comparison and a recom-
mendation. They were \$10 apart.

The B. E. Hohl Ford agency
submitted the low bid of
\$1008. The list price was \$2097
less tax and an \$1850 trade-in
allowance on a 1965 car. Math-
ews Chevrolet Co. submitted a
net bid of \$1118. The list price
was \$2274 minus tax and a trade-
in allowance of \$1157.

The council gave formal ap-
proval to a request by the circuit
court to use city hall facilities to
hold a magistrate's court in the
Madison city hall every Wednes-
day for Madison and Venice cases.

Nick Vasiloff, city attorney,
said it will increase the efficiency
of the police department, as offi-
cers now at times spend two to
four hours in magistrate's court
in Granite City waiting for traf-
fic cases or other misdemeanor
cases to be heard.

Sever Tap-Approved
Final permission was granted
to Namekoki township to tap into
the city's storm water sewer at
Sloan street in Madison.

Madison, following clearance
by the city engineer, Mayor Maeras,
noted it will benefit Madison res-
idents going to and from Madison
high school.

Another Delay Hits Nameoki Rd. Project

A long-awaited Nameoki road
improvement job has been sched-
uled for a contract letting on Jan.
28 has been dealt a new setback
that conceivably could delay the
project six months to a year.

The development came to light
last week in a ruling by C. S.
Munich, division engineer of the
U. S. Bureau of Public Roads for
Illinois, that the Nameoki road
project will not be included in a
\$1.5 million highway department bid
for right-of-way encroachments on
over the project right-of-way
be eliminated.

As a result, the project was
pushed off the Jan. 7 bid call for
the Jan. 28 contract letting, and
all scheduled encroachments must
be removed before Feb. 10 if the
job is to be included in the city's
next bid call for a March 4
letting. Compliance with the
U. S. Bureau of Public Roads ruling
is the work that must be done,
Munich said, before the project can
be included in the city's next bid
call for a March 4 letting.

Setback a Surprise
The highway department en-
gineers and Granite City officials
said the new setback, one in a
series of many that has plagued
the Nameoki road job for six
years, came as a complete sur-
prise.

Mayor Expresses Hope For March 4 Bid Call

Mayor Parkey, who has been fighting an uphill battle
for the Nameoki road project since taking office last spring,
said yesterday he will exercise every power of his office
to get the construction bid call scheduled for March 4.

He pointed out the city was advised on Dec. 22 that
right-of-way encroachments were to be cleared by the city,
and it was not until Monday, Jan. 10, that the city learned
from the Federal Bureau of Roads that the deadline was
Jan. 7 instead of Jan. 28, as understood by local officials.

"We have learned that all encroachments had to be
removed prior to any advertisement for bids, and that there
would be no exceptions to the rule," he said.

"For the most part, the landowners involved have co-
operated with the city, and we ask them to speed up their
efforts to remove all obstructions."

A meeting will be held (today) between the city, the
highway department and Federal Bureau of Roads to com-
bine and coordinate all efforts to meet the March 4 date.

"This new obstacle again delays an improvement to
a desperately needed by the city, and every step required to
insure the improvement of Nameoki road this year will be
taken by this administration."

Strike Loss \$2 Million; Mostly in Wages

The Union Star & Refining
Co. strike that began last Friday
and went into its 10th day
yesterday has cost more than
\$2,000,000 in wages lost to strike-
ing employees and added ex-
penses incurred by the company.

No further negotiation meet-
ings had been arranged today,
Bernard O'Connell, conciliator
of the U. S. Mediation Service in
St. Louis, said he has been at-
tempting to arrange a meeting,
but that difficulty has been en-
countered in getting out of town
members of the negotiation com-
mittee to settle on a date.

O'Connell is involved in another
case and is out of the city
until next week.

The economic loss figured on
the basis of wages and expenses
does not include other addi-
tional expenses such as Aid to
Dependent Children, allocations
through the Illinois Public Aid
program, or relief allotments
which have been made in a limited
number of cases in the Quad-
City area.

In addition, union officials said
that many striking employees
have obtained other jobs and
that it is obvious that some em-
ployees, trained to the starch
plant operations, will not return
to their jobs at the starch plant
when the strike eventually is
settled.

Thomas Austin, president of the
striking Civil, Chemical and Atomic
Workers Union, Local 7663,
estimated that "about 100 mem-
bers of the union have obtained
other jobs." This is approximately
25% of the original 420 union
members.

On Full-Time Jobs
"Most of those who have ob-
tained other work are on full-
time jobs," Austin said, adding
that "it is very probable that
many of the strikers will return
to their former jobs at the starch
plant."

Since the beginning of the
strike, employees who have left
the job have lost a total weekly
salary of \$68,000, or an average
of \$1,720,000 for the duration
of the strike thus far. This is ap-
proximately 25% of the original
\$420 per worker for the 193

ID Cards for GC Students; Course On Gifted Classes

Photographing of Granite City
students in 1966-67 was awarded
by the school board Monday
night to the Hollywood-Andrews
Studio, which has offered also
to make laminated identification
cards for the school district at
no cost.

The vote to approve a faculty
committee recommendation on
awarding the picture contract
was 6-1, with Daniel Linder dis-
senting. He noted that other
phases of school business are
awarded competitively.

A discussion brought out that
Hollywood-Andrews has special
equipment for school photogra-
phy and has submitted the best
bids in past competition. The
studio photographs school events
for the yearbook at no cost and
returns 15% of its student picture
sales income to the schools; such
funds have been used to buy tape
recorders, movie projectors, re-
cord players, etc.

The board authorized the Cool-
idge junior high school student
council to again have yearbooks
prepared by the American Year-
book Co., Hannibal, Mo., but spe-
cified that competitive bids be
obtained on next year's book.

Study Class Behavior

Another summer training pro-
gram for teachers of gifted
pupils, this one on "Behavioral
Change in the Classroom," was
approved by the board. Initial
training was given last summer.
State funds will be sought
through Illinois Supt. Ray Page
for a program under which 25
elementary teachers and principals
will take part in a seminar
June 12-24 and then conduct a
demonstration class June 27-July
22 at Neddinghaus school.

Twenty gifted intermediate-
grade students from various
grade school will be invited to
attend the demonstration class,
and an explanatory meeting for
their parents will be scheduled.

No specific subject matter will
be emphasized; teachers will be
primarily interested in their in-
teractions with students in teach-
ing procedures.

The proposed budget of \$1,500
includes a \$75 weekly stipend for
the faculty members participating.

Counseling Expansion

It will be necessary in 1966-67
to increase the current rate of
expanding the school system's
guidance counseling staff, Supt.
Russell D. Johnson told the board
in noting qualified state approval
for 1965-66. The current year's
state allocation was \$657 for
part of the counseling staff costs.

The present counseling staff of
two at each junior high school
and six at Granite City high
school may need to be doubled
within the near future, Supt.
Johnson said. Urging more in-
dividual counseling with students,
Dr. Glenn Waterloo, state guid-
ance service director, has called
for a major expansion next year.

The school board voted \$976 as
its share of the cost of a \$425
survey by Southern Illinois Uni-
versity of the feasibility of a
Madison county junior college.
Supt. Johnson was named to re-
present the school district on the
steering committee.

A report showed Trust Officer
James Lowder handled 233 truancy
and attendance calls during
the first four months of the fall
term. Absenteeism has decreased
at 11 of the 13 schools reporting
truancy cases.

Former GC Teacher Dies in Texas

Funeral services were held
yesterday in Lyons, Ind.,
for Miss Iva Summers, 64, a for-
mer Granite City school teacher,
who died Jan. 7 in a Pampas,
Tex., hospital where she had
been a patient for about six
weeks.

Miss Summers, who taught for
a number of years at Webster
and McKinnley elementary
schools, had moved ten years
ago to Cicero, Ill., where she con-
tinued to teach until she retired
in 1962. Since that time, she had
made her home with her sister,
Mrs. Ann Standish of Pampas.
In 1958, Miss Summers had un-
dergone major surgery for can-
cer in Chicago, and it is believed
she had further surgery while
living in Texas. She is survived
by four sisters and several neph-
ews and nieces.

Miss Florence Tansberger, 2524
Iowa street, who taught here with
Miss Summers, received word of
her death Tuesday.

On the east side of McCambridge avenue at an alley north of Edwardsville road was referred to the city engineer.

IPC said the station would be enclosed by a cyclone fence.

The council agreed to make another effort to have the state install electric traffic signals at the intersection of Edwardsville road and McCambridge avenue before the McCambridge widening and resurfacing project begins in the spring.

Third Ward Alderman Ray Kozielek complained that the intersection would become even more dangerous when the improvement is completed, and that it may take a fatal accident before the state highway department becomes sufficiently aware of the danger.

He called for use of city funds for the installation if the state will not permit use of motor fuel tax funds.

Mayor Macrao noted previous requests which the state denied on the basis of a traffic count. He said the signals would cost \$10,000 to \$14,000, and said he is reluctant to use surplus Chain of Rocks Bridge funds when MFT funds are available.

Raze Buildings
The mayor reported that razing of the Zerkulien building in the 1400 block of Third street, the old Wagner bottling building next to the Madison fire house and two houses on Reynolds street should be completed in about a month.

Seabold Construction Co. was given a contract to raze a house at 803 Reynolds street on a second low bid of \$926. The low bid by an independent Granite City contractor was revoked because he was unable to post a performance bond on his quoted price.

The mayor announced that Madison and Venice will be hosts at the Jan. 28 meeting of the Southwestern Council of Mayors, in the Madison Firemen's Hall.

Dedicate Hope Lutheran Church Project Feb. 20

Ralph Aufderheide, re-elected chairman of the Hope Lutheran congregation, conducted the annual voters' meeting Tuesday evening, during which the assembly set Feb. 20 as the date of dedication for the new church building.

Three services will be conducted—a morning service of dedication, an afternoon service of praise and thanksgiving and an evening service of music. Josiah Lane, chairman of the dedication committee, presented detailed plans to the voters.

Other items of business included appointment of committees and special boards, adoption of a working budget and presentation of "Youth Work in the Church."

Officers Inducted for 1966 include Aufderheide; Henry Wahrburg, secretary; William Dettwiler, treasurer; Charles Klug, trustee; and Robert Sulmar and William Zimmer, elders.

1st Assistant Public Defender is Appointed

Clayton R. Williams, 45, an Alton attorney, has been appointed as an assistant public defender for Madison county to assist Robert Trone, Edwardsville attorney who has served as public defender for the past year.

He is the first assistant to be named to the department by circuit court judges because an incoming case load.

Synod Officer to Speak

County Offers Aid On Smut Cleanup

The Mayor's Commission on Obscene Literature in Granite City has been promised the full support of the Madison county sheriff's office in its task of eliminating the sale of indecent literature in the area.

Deputy Sheriff George Ramach formally confirmed the support when he attended a recent commission meeting held in the city hall. He was introduced by Rev. L. J. Mattingly, commission vice-chairman, who presided.

Mayor Partney today urged all citizens to cooperate with and sustain the efforts of the commission. He asked that knowledge of the sale or display of obscene literature be reported to his office or to commission members.

Youth Injures Knee In PE Class at GCHS

Gary Epps, 15, son of Mr. and Mrs. Thoburn Epps, 2025 National St., Elizabeth Hospital, where he was treated for a dislocated right knee.

The Granite City high school sophomore incurred the injury the previous afternoon, while wrestling in PE class at school. He expects to resume classes Monday.

One Radar Arrest

Eurba L. Chitt, 2041 Madison avenue, was arrested at 5:20 p.m. Tuesday at 2400 Madison avenue on a speeding charge as police operated a radar unit. He was summoned for a hearing by Jan. 27.

Toastmasters Resume Weekly Dinner Meetings

Granite City Toastmasters Club resumed weekly dinner meetings Monday evening in the Grand Cafe with Earl Lee, administrative assistant to the Granite City superintendent of schools, taking top honors for his talk on "The Second Amendment."

Charles Youngs served as general evaluator, while duties as toastmaster were handled by Stanley Kowalewich. A second address was given by Dr. Leo Coleman, who spoke on the topic, "Thank God for the Police."

Toastmaster president, Paul Kulinkiewicz, conducted a brief business session and welcomed a guest, Harris Young of Collinsville. Ten members attended the dinner, the first one held by the club in about two months.

City Preparing to Hire Treatment Plant Personnel

Meeting with the Special Pollution committee at the city hall Monday night, Mayor Partney urged the members to proceed immediately with hiring a superintendent for the city's new sewage treatment plant, scheduled to be placed in operation this spring.

He also suggested the committee begin seeking applicants and work with the Personnel committee to hire other treatment plant workers, such as a chemist and operators, and to determine if the city should buy trucks or lease them for hauling sludge to the city dump.

Another phase to be worked out is the manner and procedures for collection of the 90-cent monthly fee per household. The committee is to confer with household listings supplied to the city by East St. Louis & Interurban Water Co. and the records of Township Tax Assessor James Barton.

Collection of the 90-cent monthly fee (reported to be the lowest in the state for sewage treatment) is to start when the plant is put in operation. A decision is to be made if local banks also are to be collection points, as well as the city hall.

Mayor Partney told committee chairman, Alderman Moen, and the Special Pollution committee, and Thompson of the Personnel committee, that a treatment plant superintendent should be hired as soon as possible to give the individual an opportunity to familiarize himself with the equipment as it is being installed.

No salary was pinpointed, although the \$700-\$800 bracket was discussed. Emphasis was placed on trying to hire an experienced person who would be able to operate the treatment plant efficiently and economically.

It was decided the superintendent need not be an engineer graduate, but an engineer would be preferred. Local industries, such as Union Starch & Refining Co., which has filter type machines, could provide a qualified man. The committee also expressed hope that a local man could qualify for the job.

Partney asked that recommendations be made to the council as soon as possible—perhaps by the end of the 24 meeting.

Also needed is a liaison man between the city, the sewage treatment plant and local industries. Others to be hired for the treatment plant are three operators, a filter operator, a maintenance man and possibly one or two truck drivers.

The treatment plant is under construction at the Granite City Army Depot.

Collinsville Man New President of Area MECCA Group

New officers of the Metro-East Chambers of Commerce Association were elected and seated for 1966 at the organization's regular meeting Monday night in Holiday Inn, East St. Louis.

Elected by acclamation on a report by the nominating committee were Earl Jukes, president of the Collinsville Chamber of Commerce, a s. president; George Berry, president of the Wood River Chamber of Commerce, as vice-president; and Howard Colquitt, manager of the Collinsville Chamber of Commerce, as secretary.

Jukes succeeds Henry McAdams, former president of the Alton group, while Berry succeeds Leon Wilson of the Wood River Chamber. Colquitt replaces Francis Kaut, manager of the Alton group.

MECCA approved a plan to charter a plane to take association members to one of a series of nationwide Chamber of Commerce meetings at Purdue University, Lafayette, Ind. The meetings are being held in different parts of the country, with the Lafayette session scheduled on Feb. 16.

Reservations are to be made with the members' own local C. of C. and will be accepted on a first come, first served basis. The number of reservations accepted will depend upon the capacity of the plane which the organization is able to obtain.

Plan General Meeting: Tentative plans for a general discussion meeting for all officers, directors and members of the Chamber of Commerce that make up the association were discussed, but no date was set.

No action toward an association stand on the proposed Junior College District in Madison county was taken after a poll of the member Chambers disclosed that Alton and Belleville groups already have endorsed the proposal, and that Collinsville, Edwardsville, East St. Louis, Wood River and Tri-Cities Chambers still are studying the plan.

Ferd Goewert, manager of the Tri-Cities Chamber, reported on action taken in a recent meeting of the Horseshoe Lake Commission in which plans for obtaining funds to develop the lake area into a recreation site were made. Month-Old Tolbert Baby Dies of Pneumonia

LeRoy E. Tolbert, one-month-old son of Mr. and Mrs. Dennis Tolbert, 2303 East 23rd street, died of pneumonia about 12:30 a.m. Tuesday at St. Elizabeth Hospital. He had been a patient there for five days.

The infant, who weighed four pounds 11 ounces when born at the local hospital Dec. 4, previously had remained hospitalized for two weeks after birth for additional care.

Besides his parents, the infant is survived by two sisters, Jackie, aged seven years, and Joyce, two, two brothers, Ronnie, five, and Jimmy Lee, four; and grand parents, Mrs. Ruby Rodgers and Ernest Forrester, both of Granite City, and Mr. and Mrs. Lawrence Tolbert of Tenstrike, Minn.

Funeral services were held yesterday afternoon. Other arrangements are given in today's obituary column.

Mrs. Floy Miller, 91, 65-Year Resident, Dies

Mrs. Floy L. Miller, 91, of 2135 Edison avenue, a 65-year resident of the Quad-Cities, died at 7:25 a.m. Tuesday, at St. Elizabeth Hospital, where she had been a patient for nine days.

Born in Coles county, Ill., Mrs. Miller was a member of Niederrhau Memorial Methodist Church; the Women's Society of Christian Service and the Women's Christian Temperance Union. She was preceded in death by her husband, Robert L. Miller, in 1935.

Survivors include one son, Earl Miller of Granite City; one daughter, Miss Elva S. Miller, Granite City; two grandchildren and five great-grandchildren; and a niece, Mrs. Wensel (Juanita) Brown, Madison.

Funeral services were held at 1 p.m. today. Other arrangements are given in today's obituary column.

Truck Hits Side of Car

A truck driven by Charles Vincent, St. Louis, while making a right turn, struck the left side of an auto driven by Herbert Nelson, Jr., East St. Louis, Monday at 20th street and Madison avenue.

The MECCA members will meet March 14 and are to be transported on the riverfront near semble at 5:30 p.m. at the Better Business Bureau in St. Louis action of the Illinois Commerce for a tour of the bureau's facilities granting the right of

SOCIETY Mr. and Mrs. Ganz Observe Golden Wedding Anniversary

Altar Society Installs Officers

Officers for 1966 were installed by St. Ann's Altar Society of St. Joseph Catholic Church at a meeting in the parish hall Tuesday evening.

The staff includes Mrs. Ida Wheatley, president, Mrs. Louise Mank and Mrs. Elizabeth Melic, first and second vice-presidents, respectively, all re-elected; and Mrs. Louise Begando, secretary-treasurer.

Mrs. Wheatley conducted the business of the group and afterwards there were games with prizes awarded the winners. Refreshments were served to 21 by the Lincoln Place members, hostesses for the evening.

Miss Hoelscher Is Honored

Miss Ella Hoelscher, secretary of the test division of the American Steel Foundries before retiring Jan. 1 with a service record of more than 40 years, was honored at a luncheon Tuesday at the Rose Bowl.

Albert Brose, engineer of tests, presented Miss Hoelscher with a gift from the group. Those attending were G. A. Tennant, Albert Brose, Leroy Vincent, Henry Shepard, Henry Cover, William Faus, Delbert Tax, Joseph Liszewski, Charles Spencer, John Johnson, William Rehling, Darrell Lindsey, Mrs. Beverly Tisdell, and H. V. Yunker, a representative of the Association of American Railroads.

World Gardens Are Club Topic

The Cloverview Garden Club met Tuesday afternoon in the home of Mrs. Fred Orr, 2400 Lynch avenue.

Capt. and Mrs. Charles James of the Granite City Army Depot were introduced and presented a program on "International Gardens-Growing Things Around the World."

They entertained the club with colored slides which illustrated the flowers, parks and gardens of many countries, including Japan, Saigon, Korea, France and the United States. After the slides were shown there was a question and answer period by the members and guests.

Luncheon was served and Mrs. John Jenkins conducted the business session. Mrs. George Knapp read the club collection and the members responded to roll call with names of new plants for 1966.

PLAN VALENTINE PARTY FOR ST. MARK'S PUPILS

St. Mark's Parents and Friends Association discussed a student valentine party at a monthly meeting Tuesday evening in the church basement, with Mrs. Marlene Miller, president, in charge. Room mothers will be hostesses for the party.

A final report was given on a fund project, and plans were made for a sheet social in February.

A dessert luncheon was served to 25 members and two guests, Sister Marie and Sister Clotilde. Mrs. Yvonne Kittel, Mrs. Jewell Barnes, Mrs. Lucia Foley and Mrs. Lena Goepfert served as hostesses for the evening.

Madison Meets Cahokia For MW Second Place

Dale Turner and company face the Cahokia Comanches in a Midwestern Conference basketball game Friday night at Cahokia and the second-place conference position is at stake.

A Madison win would place the Trojans more firmly in the No. 2 spot behind Dupu, while a Cahokia win would give the Comanches second place.

League-leading Dupu has a 3-1 conference mark, Madison is 3-1 and Cahokia 2-1.

Comparing records, Madison has scored an average of 74.5 points while holding conference foes to 67 points a game. Cahokia has netted an average of 71 points and limited opponents to 63 points in league action.

Dale Turner continues to spark the Madison offense, averaging 28.3 points per contest in the 12 games the Trojans have played. Turner has scored a total of 316 points, more than any other player in the area.

Cahokia's Mark Catlett has provided the offensive punch for the Comanches with an average of 18 points for 11 games. Catlett is 6'2" forward.

Ken Hillyard, 6'7" senior center, has chucked in 118 points in 11 contests for a 10.8 scoring average for Cahokia.

Cahokia, upset 62-60 by Mater Dei last weekend, was paced by Catlett's 35 points in defeating Roxana 67-54 in a conference game Saturday night.

Ron Burt and Gary Lusk have added punch to the Madison offense with double figure performances in the Highland and Bethalto games.

Steve Geroff, 6'1" Madison center, has improved on rebounding, and Jones Turner as one of the top leading rebounders for Madison.

In overall competition, Cahokia is 7-4 and Madison 9-3.

Revelle Gets Arkansas State Scholarship

Len Revelle, football speedster for the Granite City Warriors, last season, has accepted a full four-year athletic scholarship to Arkansas State College at Jonesboro.

The announcement came from GC football coach Jim Morrison, following talks with Arkansas State athletic department officials.

Fred Hoffman, a linebacker on the 1965 Warriors, will attend Illinois State University, Normal, where he will play football. He did not receive an athletic scholarship.

Morrison said Revelle's athletic grant covered football and did not mention track, where Revelle is a sprinter.

Granite City high school will face Jerseyville in a semi-final game at 8:30 tonight after the Warriors eked out a 59-54 victory over the host school in first-round action in the Dupu Invitational tournament Tuesday night.

A victory tonight would put Coach Ralph Sackett's team in the title game at 9 p.m. Saturday. A loss tonight would send them into the third-place game at 7:30 p.m. Saturday.

In other first-round action Tuesday, Jerseyville beat Freeburg 68-64 in overtime.

Before Granite City faces Jerseyville tonight at 8:30, Freeburg will meet Dupu at 7 p.m. tonight in the consolation semi-finals. Consolation honors will be decided at 6 p.m. Saturday following lower-bracket semi-final play Friday night.

The Warriors were lucky to come out of the quarter-final game with their scalps. The Dupu defense forced Granite City into 18 turnovers, five violations or bad passes by a team on offense before a shot is taken and numerous sloppy shots.

Larry Ripka scored eight points in the first quarter to help give the Warriors a slim 16-15 lead. Early in the second period, the Tigers jumped to a 23-18 lead.

Terry Moore of Granite City and Dupu's Dennis Cook each scored six points in the see-saw second period. The half ended with Dupu owning a 28-28 lead.

The lead changed hands twice more during the early moments of the third period, but Ripka and Jim Hentzel combined to give Granite City a lead at 39-38 which it never relinquished.

Ripka again held the stumbling Granite City offense together with his driving jump shots during the third quarter, which ended with the Warriors ahead 44-40. He scored on four baskets and two free throws during that period.

Ripka led all scorers with 20 points. Dupu's Dennis Cook netted 17 and Granite City's Terry Moore had 15 points. Cook also provided Dupu with 16 rebounds in the game, as the Tigers led the Warriors in that department, 34-28.

In tonight's game, the Warriors will face a Jerseyville squad which holds a 7-5 mark. The win would be the sixth straight for Granite City, which now has a 9-5 overall season record.

State District, Regional Cage Assignments

Assignments for district and regional tournaments for the Illinois state high school basketball championship were announced this week by the Illinois High School Association.

Granite City and Madison will be playing in the Wood River regional tournament beginning Feb. 28. Venice will be host to Alton, Marquette and Lovejoy in a district tournament starting Feb. 21 to determine the at-large team to go to the Wood River regional.

Along with Granite City and Madison in the Wood River regional, entries will be Alton, Collinsville, Edwardsville, Roxana and host school Wood River.

Bethalto, Cahokia and East St. Louis are in the Belleville Althoff regional. Dupu and seven other teams collide in the Walnutwood district to determine the at-large team for the Althoff regional.

Bethalto and Bunker Hill are scheduled for the Litchfield regional.

The IHSAA said pairings and playing schedules will be made available at a later date.

John Surtees, England, and Ludovico Scarfiotto, Italy, drove a Ferrari 275 Le Mans to first place in the 1964 1000-kilometer race in Germany for sports cars. They averaged 90.46 m.p.h.

Cahokia's Mark Catlett Moves Into Area's Select Cage Group

Cahokia's Mark Catlett, helped by a 35-point one-game scoring binge, moved into the ninth spot among area scorers this week.

Catlett is currently averaging 18 points in 11 games for the Comanches.

Dale Turner of Madison continues to lead the pack with a blazing 28.3 average, accounting for 216 points in 12 games for the Trojans.

Highland's Craig Manwaring remains in the second spot with a 22.3 clip for 13 games and 201 points. Belleville's Joe Wiley slipped to a one-tenth of a point average lead over Rich Esing, 206 points in 12 games for the Trojans.

Collinsville's Tom Parker, averaging 20 points for 13 games, is fifth, while Dupu's Dennis Cook is sixth with an average of 19 points in 12 games.

Perry Dillon of Venice with an 18.8 mark holds seventh place. Dillon poured in 264 points in 14 games for the Red Devils.

Roundout the top 10 are Terry Dallage of Roxana (18.6), Catlett of Cahokia (18), and Highland's Tom Campbell (17.2).

Granite City's Larry Ripka is 18th with a 16.3 average in 14 games.

Bunker Hill on top

Bunker Hill has stretched its lead in the MCM Conference title chase with a league mark of 7-0. Venice is in second place with a conference record of 5-1.

Collinsville moved a step closer to grabbing the Southwestern Conference crown with a 4-1 record. Belleville, the current leader, has a conference mark of 3-1.

O'Fallon Tech Nets 6 Points On Decisions

Granite City's wrestling squad stretched its season dual meet record to 6-4 with an overwhelming 38-6 win over O'Fallon Tech (St. Louis) at Granite City Tuesday night.

The Warriors scored four pins and six decisions while giving up two decisions to O'Fallon Tech.

Bill Fuchs, apparent heir to the Illinois state 99-pound title this season, disposed of Tech's Charles Waterford in 52 seconds and posted his 18th win of the season against no setbacks.

Mike Andria, top 133-pounder from Granite City, scored his first pin of the year, as he pinned Tech's Matt Stallings in 3:01. Andria, who lost his first match of the season over the weekend, now has a 18-1 season record.

Victory for Reynolds

In the 112-pound class, the Warriors' Mike Reynolds defeated Tech's Joe Sanchez, 12-4. Two years ago, when both were sophomores, Sanchez beat Reynolds last year as juniors, they wrestled to a draw; this year, Reynolds won.

O'Fallon Tech's Missouri state heavyweight champion of last year, Don Werner, defeated Granite City's Dewey Bell, 5-10.

The Warriors will host a doubleheader this Friday, Belleville at 7 p.m. and Edwardsville at 7:30 p.m.

The Edwardsville Tigers will provide some interesting bouts including one pairing their 390-pound heavyweight, John Hartman, against Granite City's Bell, who weighs 203 pounds.

GC Fresh-Soph Meet Saturday

The ninth annual freshman and sophomore wrestling tournament will be held at Granite City Saturday, beginning at 1:30 p.m. Four Illinois and four Missouri teams are entered in the meet.

Schools competing in the freshman and sophomore tourney will be Belleville, East St. Louis, Wood River and Granite City from Illinois; and McCleary, Klamath Falls, Rensselaer and Riverview Gardens from the St. Louis area.

Schedule of events for the tourney includes opening competition at 1:30 p.m. Saturday. Semi-finals will begin at 3:30 p.m. and third-place and final competition is scheduled for 7:30 p.m. Saturday.

Teams Terrific But Too Few Cheering Them On

By Mike Gremard
Press-Record Sports Editor

How many sports experts know what university calls its basketball team the "Violets"? Or who the "Wheatshockers" are?

Perhaps not many know that New York University fields the Violets, or that Wichita University athletic teams are called the Wheatshockers.

Generally theorized, an athletic nickname is supposed to characterize all the fighting spirit and overall school "rah-rah" enthusiasm.

There are no less than nine major colleges and universities with Wildcats or Tigers on campus. Fierce animals indeed, but some of the nicknames give an impressive impression.

Fighting Warriors of Granite City used to be called the "Happy Warriors." Then there are the Trojans of Madison and the Red Devils of Venice.

No horns, long red tails or nicknames are the fighting spirit on the basketball court or a "rain dance" on the football field.

The Flyers of East St. Louis don't have pilot licenses, Belleville's Maroons only turn red after defeat, Beloit's Eagles don't have hooked claws, and the Collinsville Kookaburras, well, they're just not Indians, even though costumed ceremonial dances often are presented during intermissions.

Back in the 1920s and 1930s, the fightingest members of the Notre Dame football team, the Fighting Irish, had a syllable names ending in "ski" or "tiz."

What, then, do you do with school nicknames? Imagine, if you will, the possibilities if schools in the state nicknames, or items their states are famous for:

There would be the Idaho

French Fries from the potato state, the Wisconsin Cheddars from the cheese capital, the Connecticut Nutmegs from the nutmeg state, Georgia Peach Fuzz from the peach state, and the Arizona Cacti from the land of cactus.

No matter what nicknames schools may have, there will always be the loyal fans and alumni backing their teams. There will always be the cheering and energetic students.

Imaginations have to be stretched to visualize such cheers as "Fight, French Fries, Fight!" and "Go, Cacti, Go!"

It's good to know that the Trojans are on our side, the Warriors are civilized, and the Red Devils are really good guys at heart.

But maybe new cheers or some new element is needed. Although Madison, Venice and Granite City sport winning basketball teams, attendance in the games, especially home contests, could be improved.

Much the same students, alumni and parents are consistently at the games but they are too few in number and their voices are hoarse, their nerves wracked and their spirits generally dampened by the time a season is over. They've put up a long fight all year, but with not enough local residents supporting the teams at the games.

Warriors, Trojans and Red Devils are nicknames that characterized the individual spirit of each school, and all are hallowed by long tradition.

As traditional have been courageous performance in athletic competition and magnanimity in victory or defeat. There has been small smiles as sweet in southern Illinois' Indian country or Alaska's "land of the midnight sun."

A rose by any other name would smell as sweet in southern Illinois' Indian country or Alaska's "land of the midnight sun."

A rose by any other name would smell as sweet in southern Illinois' Indian country or Alaska's "land of the midnight sun."

The Agony and Ecstasy of Coaching

BILL "RED" SCHMITT, head wrestling coach at Granite City, is usually a mild-mannered man at wrestling meets. This season Schmitt has come to life in his effort to keep the Warriors in prime contention to defend their state wrestling title. Whether he's standing, sitting or walking around, Schmitt is there helping the Granite City squad.

Come From Behind Win For Prather

Prather junior high's ninth grade basketball team scored a game-from-behind 67-33 victory over Venice at Prather Tuesday.

Down by a 15-4 score at the end of the first quarter, the cheer, rallied behind the shooting of Larry Pirle and Roger Belshe for the win. Pirle finished the game with 21 points and Belshe had 19.

The Chiefs now hold a 6-3 season record and have won their last two games.

Braves Score 26-21 Win in Mat Thriller

Coolidge junior high got spirited individual performances from Tim Wallace and Bob Page to score a 26-21 come-from-behind win at Florissant junior high in a dual wrestling meet Wednesday.

Florissant took a 21-16 lead, Wallace pinned his opponent in the 130-pound class and then Page pinned his heavyweight foe for the Braves' sixth dual meet win in seven outings.

Braves who won by pins were Page, Wallace and Bob Miller. Decision winners were Ed Milton, Charles Campbell and Dan Hodge. Dennis Huebner wrestled to a 9-9 draw.

Coolidge wrestlers losing by pins were James Rollins and Dennis Peters. Those who lost on decisions were Greg Heimer, Tom Niebur and Dennis Garver.

Wortman Tax Evasion Trial Ends 4th Day

The trial of Frank (Buster) Wortman, area gang leader, on federal charges of income tax evasion, entered its fourth day today in East St. Louis as evidence of profits and losses at gambling dens in this area were disclosed.

Wortman was identified yesterday as the Club Premier, the Pelee Club and the Paramount Club, which were operated in the Club Prevue, formerly the Mounds Club.

Willard J. Staley, an East St. Louis accountant, testified that the clubs were operated as tax havens, and in earlier testimony this week it was disclosed that records showed Club Premier had profits of \$56,913 for an 87-day period in 1963. At the same time the casino paid the Mounds Club \$100 a day in rent.

Khoury Soccer Association to Hold Tourney

A post-season tournament will be sponsored by the Khoury Soccer Association in St. Louis, with play beginning the first week of February, it was announced today by George Khoury Sr., founder of the organization.

The double-elimination tournament will be open to all soccer teams in the Alton, Bantam, and Midget age divisions. Game pairings will be made through blind draw and there will be no team seeding.

Trophies will be awarded to the winning and runner-up teams in each division. Managers or anyone interested in entering the tournament may enter their present teams or may sign any players, provided that proof of age is established. The age brackets are: Altons, seven to nine years old; Bantams, nine to 11 years old; and Midgets, 12 to 13.

The entry fee of \$7.50 per team will cover the cost of referees and must accompany the entry form. Those wishing to enter the tournament may contact the Khoury Soccer Association in St. Louis, MO 444. All try fees must be in by Jan. 31.

Warrior JV's Win, 45-13
Granite City's junior varsity wrestling squad scored nine pins in a 45-13 win over O'Fallon Tech at Granite City Tuesday night.

Warriors winning by pins were Jan Gitcho (95), Ron Hopper (103), Terry Luetenberger (112), Bill Gibson (120), Dempsey Cross (133), Paul Hoffman (138), Terry Yeager (145), Ernie Schwendemann (154) and Bob Newman (180).

Bob Crapps (127) was pinned by his opponent, Dan Patterson (180) lost on a decision and Granite City forfeited the heavyweight class.

Prather Scores 46-8 Mat Victory
Prather junior high won its second wrestling match of the season at Belleville by a 46-8 score Tuesday night.

Chiefs who won on pins were Bob Niesport, Randy Fowler, Ricky Smith, Sam Nighobon, Tom Rippey, Roy Waugh and Dennis Holloway. Those who won on decisions were Alan Ellis, worth and Ed Adams. Ricky Buckingham won on a forfeit.

The Chiefs' next meet will be at St. Louis University high Tuesday, Jan. 18.

Sam Crawford hit seven home runs for the Detroit Tigers in 1908 to claim the American League home run championship for that year.

Regular Programming Starts For SIU-SW Student Nurses

Nine student nurses assigned from Southern Illinois University-Southwestern Campus to St. Elizabeth Hospital will continue tomorrow in a pediatric nursing orientation program. Initial instruction in simple physical care of a child began Monday at the local hospital with the second session held yesterday.

The 18 student nurses participating in the course will continue three days per week training, at both St. Mary's Hospital, East St. Louis, and at St. Elizabeth. Except for occasional field trips, the students will receive instruction at the two hospitals on their assigned days.

Student nurses assigned to St. Elizabeth Hospital until March 18 are Mrs. Janice Dunham, Mrs. Margaret Lesko, Miss Dorothy Taylor and Miss Amelia Pollock, course director, will be in charge of pediatric wards at each hospital on the type of patients to be cared for by student nurses.

Less complicated nursing situations will be handled during the initial three or four weeks of the course, increasing in complexity as students gain skill, Miss Pollock reported.

Use St. Clair Detention Home

Use of the St. Clair county juvenile detention home for juvenile offenders in Madison county will continue when possible until Madison county obtains its own facilities, James Reidelberger, Madison county chief probation officer, said today.

However, he stressed that there is no formal agreement providing the services between his office and that of the St. Clair county probation officer.

"Both of us attempt to assist each other in the best way we can," he said, and "St. Clair county is under no obligation to help."

The St. Clair county chief probation officer does sell me services when and if they are available, and we must assume the cost and pay any damage or extra expense. On occasion we have had children who did damage to their facilities. We also have them do a cursory medical examination to the children while they are kept at the home."

A few juveniles from Madison county are now being held in the St. Clair County home in Belleville pending hearings set tomorrow, he added.

Social Security Office Adds Hours

The East St. Louis Social Security office will be open additional hours, it was announced today by office manager Ralph Brasher.

Each Thursday evening for the next several weeks, Brasher said that the office will remain open until 8 p.m. In addition he said that the office will be open on Saturdays from 8:45 a.m. to noon on Jan. 15th, 22, and 29.

Brasher said that the purpose for the additional hours is to give area residents a greater chance of learning their rights, obligations and benefits under the new 1965 Social Security Amendments, which includes Medicare.

Hit-Run Accident

James W. Foley of 717 Broadway, Venice, reported to Madison police at 9:35 a.m. Tuesday that his car was struck from the rear by another auto which left the scene. The accident occurred in the 400 block of Madison avenue as Foley was driving south. He said he pulled out to go around a truck that was parked at an angle when the other car struck him from the rear, then drove away. Foley's car was not damaged.

Man Fined \$40, Costs

Earl Snyder, 21, of 2119 Delmar avenue, was fined \$25 plus \$5 costs for disorderly conduct and \$15 plus \$5 costs for probation Monday by Magistrate Matias. The charges were filed Jan. 6.

Seek Home Here

He said some planning has been done to establish a detention home in Madison county, meetings are planned this month to determine succeeding steps.

The new juvenile court act which took effect Jan. 1 prohibits placing of offenders under 14 years of age in a jail cell. Under the new act, girls under 18 and boys under 17 can be taken before juvenile court. Offenders then are designated either as neglected, dependent, delinquent, minors or minors otherwise in need of supervision.

The law also requires that minors in custody who do not require physical restrictions must be placed with a foster home or a shelter designated by the court.

Philosophy of Act

Reidelberger stressed also that "it is against the philosophy of the act and against the philosophy of this office to keep any juvenile in jail, and the county jail is used only in an emergency."

When necessary to place them in jail, juvenile offenders must be kept separately from adults. The Madison county jail does not have sufficient facilities to permit separation of juvenile inmates, but Sheriff Barney Fraundorf has attempted to keep juvenile and women prisoners in a separate building away from other prisoners.

Reidelberger said legal aspects of the new law are being ironed out, with his office assisting local police departments. He said meetings with police departments may be held in about a month after police have worked with the new act and determine what the questions and problems are.

GC Steel Promotes Bott in Sales Dept.

John Stamps Indicted For Murder in Riot

John W. Stamps, 26, Granite City, serving a 25-year prison term for murder, was among four men indicted Monday afternoon by a circuit court jury at Chester on charges of murder, attempted murder, armed robbery, arson and holding hostages. The charges grew out of a Nov. 23 riot in the prison kitchen when Stamps and three other prisoners attacked and wounded ten prison guards, three of whom died from stab wounds. One guard was burned by a "Molotov cocktail" hurled by one of the four men. Prison officials said 900 other inmates stood by in the mess hall and did not take part in the disturbance.

In addition to Stamps, those indicted are William E. Bassett, 26, of Fairfield; Pruitter R. Griffin, 26, of Chicago; and Alonzo H. Jones, 29, formerly of Manchester, Tenn.

The indictments, returned by a jury that began its investigation a week ago, contained 27 counts. Stamps and his three co-defendants have been in special confinement in Stateville penitentiary at Joliet.

\$3912 Relief in Venice Twp., \$42,404 for Year

Venice township relief assistance in December totaled \$3912, compared to \$4292 in November 1965 and \$4617 in December 1964, the latest monthly report showed this week.

Caseload totaled 47, involving 84 persons. Comparisons show 43 families with 76 people were assisted in November, and 58 families with 89 persons were aided in the previous December.

A compilation of monthly reports showed \$42,404 general assistance during the 1965 calendar year? Monthly figures were \$4185 in January, \$3885 in February, \$3159 in March, \$4183 in April, \$3446 in May, \$3650 in June, \$2675 in July, \$2916 in August, \$3839 in September, \$2257 in October, \$4292 in November and \$3912 in December.

Petitions for Sanitary Sewers in Sections of City Now Being Circulated

Petitions now are being circulated in scattered areas of Granite City that have no sanitary sewers. Distribution of the petitions to persons willing to sign them was made Monday evening.

Alderman Moerlein, chairman of the Special Pollution Committee, presided at the brief committee meeting which was attended by 17 interested persons. Namooki area sanitary sewer signed and there is an indication the sewers are wanted, the city

329 Quad-City Families Moved During December

Slightly over 1% of families living in the Quad-Cities moved during December, according to a tabulation completed this week by the Associated Retailers.

During the month there were 329 moves recorded including 227 within the Quad-Cities—families moving from one home to another locally. 29 moves were recorded in the Quad-Cities and 63 moves to places outside the Quad-Cities.

Man Pleads Innocent

Roy Wiggins, 46, of 1831 Grand avenue, was arrested at 6 p.m. Monday and charged with battery and disorderly conduct. The battery complaint was signed by James Sowards, 1828a Grand avenue. Wiggins pleaded innocent Tuesday in magistrate's court and bond was set at \$2000 on battery and \$250 on conduct pending a hearing.

Slight Damage to Auto

Earl Knobloch, 2145 East 34th street, reported at 11:10 p.m. Monday that a hit-and-run driver caused slight damage to the rear of his auto while it was parked in the 2100 block of Delmar avenue.

will proceed with planning by an engineer and an attorney for a revenue bond issue.

Public hearings will be held once cost figures become known, so the data can be relayed to the individual property owners who will be paying the cost. Moerlein said he hoped it would be lower than the \$45 tapen fee and the \$2.50 monthly charge for the sewer.

Moerlein said he expected the petitions to be returned to the

city in about two weeks, and then the committee will turn them over to the bond firm for review and study.

One Sewer District He explained that the scattered areas are to be organized as one sewer district to hold down legal and engineering costs.

"Signing a petition does not obligate a person to participate," he added. It was pointed out that with 51% approval by residents of the areas involved, the city could proceed with the plan.

Ill. Metro-East Annual Meeting To Be Held Feb. 2

The annual general membership meeting of Illinois Metro-East will be held Feb. 2 at the Sunset Hill Holiday Inn, it was announced Tuesday at Howard Johnson's restaurant.

Principal speaker will be Carl Muhlenbruch of Evanston, head of Tec-Search Inc., consultants for industries in connection with new industrial plants.

During the board meeting it was announced by the industrial committee that all materials for the brochure have been compiled and are now in the hands of the printer.

Included in the brochure will be 138 major industries in the area, listing their products, and trade-marks of 40 nationally known companies located in Illinois metropolitan area.

It was reported that a dedication program for the new Southern Illinois University-Southwestern Campus is being planned for the spring.

Industrial development committees of the various Chamber of Commerce in the area reported on their general activities. The board approved membership of the Bi-State Development Agency. The meeting was conducted by Chester Baker of the Tri-City Printing Co., president of the organization.

and call public hearings.

Several persons remarked they did not want to proceed at present and obligate families hard hit by the seven-month-old strike at Union Starch & Refining Co. along with construction of a

water separation sewer plant which was voted down several years ago, when an effort was made to solve the city's drainage and sanitary sewer problems.

A suggestion was made that if federal funds would be available, the city might consider the main trunk lines planned at that time to take sanitary sewage directly from the expanding Namooki and North Granite areas directly to the sewage treatment plant.

Moerlein did not commit the committee. It also was noted that a private sewer line was constructed in the 1940s in the 300 block of Denver street and serves three families. The city, it is believed, could take over that line, which runs under city property, and that the families who paid the cost of installation could be given consideration.

The petitions call for the name, address and lot and block number of property owners wanting sanitary sewers. Moerlein explained the lot and block numbers can be obtained from the individual's property tax bill.

The heading of the petition states that the property owner wants sanitary sewers and would be willing to pay the cost.

City officials present at the meeting were Mayor Partney and Aldermen Moerlein, Johnson, Green, Rutledge, Sternberg, Fry and Poulos and Thompson.

Another Delay

received a letter from the highway department reminding him that certain encroachments still existed along the right-of-way.

These include three buildings (that are to be vacated and torn down. They are still occupied. Konzen said he contacted state officials and an engineer from the highway department came to Granite City and on Dec. 27 and 28 made a tour of the Nameki right-of-way, pointing out the obstacles that were to be removed. All of the property owners, or their attorneys or representatives, subsequently were contacted about changing or removing the encroachments.

Good Cooperation

"The cooperation we received could not have been better," Konzen said. "We were given assurances that corrections would be made in every instance but one. Everyone was willing to do everything they can to assure improvement of Nameki road."

Believed Promises Enough

"I got the impression at the time we checked the encroachments that we had until Jan. 28 to clear commitments or assurances for removal of the encroachments," Konzen said. "I had never been informed that the bid call for the contract was on Jan. 7 and that a deadline for clearance was on that date."

While the assistant city attorney was proceeding with negotiations with property owners, Mayor Donald Partney received word that the Nameki road job had been scratched from the Jan. 7 bid call list of projects for the Jan. 28 contract letting.

On Monday, Konzen learned the bid call by the U. S. Bureau of Public Roads, which has offices at Springfield, because the encroachments have not been actually removed at this time.

"I telephoned Monnier at Springfield at this time," Konzen said, "and was told that under no circumstances will his office approve a bid call for the Nameki road project until all of the encroachments have been removed."

"No Exceptions"

"He told me that he is firm in this decision and that there will be no exceptions. He also pointed out that an agreement between the city and the state highway department providing for removal of these obstacles by the city was made sometime ago, and that the work should have been done in preparing for the construction work."

Konzen said he was "unaware of such an agreement, having taken the city attorney's statement only last spring." Further checking disclosed such an agreement was made in 1964 as a supplement to a 1961 agreement which stipulated that Granite City was to provide all right-of-way for the Nameki road improvement.

Konzen also told the Press-Record that he was unaware of such an agreement. Krust was named to the chief engineer post at French Village at the beginning of last year.

The chief highway engineer said that when he learned of the removal of the project from the bid call, he was "completely surprised" because highway and road improvement projects have been completed in the past by securing the U. S. Bureau of Roads that right-of-way obstacles would be removed before completion of the projects.

Other Project Delays

"Obviously this is the reason for Monnier's firm ruling," Krust said. "We have one highway right now that Monnier's office will not give final approval because of some encroachments. The obstacles, only to run into delay in fulfilling the assurances once the highway construction was completed."

There have been instances where the job was allowed to proceed under promises of property owners that they would remove the obstacles, only to run into delay in fulfilling the assurances once the highway construction was completed.

Konzen said the highway department will do everything in its power to get the matter straightened out.

"The highway department is as interested as anyone else in getting the Nameki road job completed," Krust said.

Because of the serious need of the improvement, Krust decided to plan under which we can give commitments in each case and go ahead with a bid call and contract letting while we are getting the encroachments cleared away," Konzen said.

Konzen thought this was the proper approach to the problem.

At Springfield, however, Monnier told the Press-Record that the city's plan for removal of encroachments will be unsatisfactory.

Monnier said that, he ordered removal of the bid call from the state highway list when his representatives learned that a number of encroachments over the right-of-way for state routes must be free of all encroachments, Monnier said, adding: "There have been cases in which we were lenient in our decision and all of them have had unfavorable results. The property owners too frequently let the matter slide after the work already is done, or there is long delay in fulfilling the assurances of removal."

He said the U. S. Bureau of Roads and the state highway division are parties to an agreement under which the state is to see that all right-of-way is free of encroachments before work begins on the job.

"I know the people of your area are anxious that this improvement be made as soon as possible," Monnier said, "and it is unfortunate that the situation exists. There can be no exceptions to the rule and my office has no intention of approving a bid call for the project until all the encroachments are eliminated."

At the Rose Bowl the marquee or canopy, extends over the right-of-way and must be removed. Mrs. Opal Davis, who with her husband, Claude, operates the establishment, said the job will entail major construction work since the canopy is a structural part of the building and will involve rearrangement of steel beams.

She referred the Press-Record to her attorney, Maurice Dailey of Granite City, whom she said represented a "number of persons along the road."

Mrs. Duval pointed out that she and her husband are "most anxious" to see the road improved and said "we will cooperate to the fullest extent. We don't mind removing the canopy, but we believe the state should bear the cost."

Oliver Kirchner, operator of Kirchner Hardware, has an even more serious problem. Kirchner said that construction of the highway, even without the encroachment, will be a "big going to leave me practically in the middle of the street."

He is in front of Kirchner's store, which will take up the right-of-way on which the existing five-foot sidewalk is located.

The right-of-way will dip five feet into the front of Kirchner's parking lot adjoining his store and will require him to move his canopy and block up the front of his store, with revised entrance ways to be built elsewhere. A three-foot sidewalk is to be built in front of the building, and when the road is completed the present front of his building will be no more than five feet from the edge of the pavement.

Extensive Remodeling

As in the case of the Rose Bowl, Kirchner said his canopy is a structural part of the building and will require extensive remodeling. "In addition," Kirchner complained, "I believe that when they begin construction, they are going to need more of my land (and building) than they have taken."

The plan calls for a five-foot sidewalk in front of what is now Kirchner's parking lot, tapering down to the three-foot width in front of the store due to the curving nature of the road at that point.

"Naturally I can't take a loss like this by myself," Kirchner said. "I have turned the matter over to an attorney. I am in care of a spot because I belong to a national hardware organization which has certain building requirements and specifications, and I am fighting them as well as the city and state."

Atty. Dailey, representing the Rose Bowl, said that he represents "at least a half dozen" clients along the road and that they are prepared to carry their share of the cost of jury trials in the courts.

Dailey explained that when the "quick-take" condemnation proceedings were filed by the state highway department a few months ago, as a means of expediting the beginning of construction, the way still was left open for right-of-way owners to claim damages through jury trials at a later date.

YMCA to Expand Pre-School Center

Expansion of the YMCA pre-kindergarten center is planned for Feb. 1, when a second class of four-year-old pupils will be added to the present program. It was announced today by David Walker, YMCA youth director. Registrations currently are being accepted at the "Y."

The new class will be limited to 15 youngsters, who must have reached their fourth birthday by Jan. 31, 1956. Sessions will be held from 9:30-11:30 a.m. each Tuesday and Thursday, with a \$4 weekly charge for each child.

Mrs. Carol Wellman, a former teacher in New York state schools, will direct activities in the new class. She received her BA degree from Wheaton College, Norton, Mass., and a master's degree in elementary education from New York University. The original group is taught by Mrs. William Hoelscher.

Mrs. Grace Nunnally, 83, Dies; Ill 3 Weeks

Mrs. Grace Catherine Nunnally, 83, of 2524 Sheridan avenue, died at 10:56 a.m. Tuesday, at the Colman Nursing Home. She had suffered a severe stroke on Dec. 10, and had been in a patient in the home for the past three weeks.

Born in Washington, Ind., Mrs. Nunnally had resided for the past five years with her brother, Marion R. Mink, of the Sheridan avenue address. Previously, she had made her home in Philadelphia, Pa. She was a member of Sacred Heart Church. Her husband, Curtis, died in 1914.

Besides her brother, Mrs. Nunnally is survived by three nephews; one niece and several great-nieces and nephews.

Funeral arrangements are given in today's obituary column.

Wilson Co. Receives EIU Addition Contract

A general contract for \$491,160 to erect an addition to University Union at Eastern Illinois University, Charleston, was awarded this week to S. M. Wilson & Co., a Granite City firm. The total cost of the addition is \$761,028.

Included will be a 12-lane bowling alley, a recreation area, cloak rooms, seven meeting rooms, a main office and remodeling and addition of private dining rooms on the cafeteria level, larger snack bar facilities, a large terrace area and increased storage areas.

Begin Surveys on School Remodeling

The Granite City school board Monday night authorized two architectural firms to proceed with school building remodeling surveys in compliance with the Life Safety Code established for Illinois school buildings.

Pre-1955 schools and portions of schools will be studied at a cost of \$41,500-\$15,450 assigned to Architect Virgil Dalgoff and \$30,650 to Architects Sylvester Dalgoff and Henry Gabriel.

The latter firm will survey Granite City high school and the Washington, Webster, Mitchell, Namoki and McKinley grade schools. It will charge \$23,800 or less, and the Sheppard, Morgan civil engineering service for \$2250.

Virgil Dalgoff will survey Central junior high school and the Niedringhaus, Emerson, Marshall, Logan Annex and Stallings elementary schools for \$13,800 or less, and the Sheppard firm will perform required engineering work for \$1650.

Surveys will not be necessary at Goodie and Preller junior high schools and the Mayville, Lake, Wilson, Logan, Frohardt and Parkway elementary schools.

The surveys are intended to pinpoint changes necessary to protect not only the structures but the occupants of schools from fires, smoke and other hazards. Revisions listed in the code include enclosures for stairways and provision of more exits.

A new memorandum from N. E. Hutson, legal advisor to State Superintendent of Schools, dated prior to Jan. 1, 1955, must be met the code.

New General Secretary Of 'Y' to be Appointed

The personnel committee of the YMCA will meet at 2:30 p.m. Friday to consider applications and recommend employment of a new general secretary to succeed C. A. "Bud" McMillan Jr.

Formal announcement of the new appointment will follow approval by the entire YMCA board of directors. McMillan is scheduled to complete his service as general secretary on Saturday to become director of Coordinated Youth Services.

He has agreed to remain available to break in the new general secretary, it was reported.

Geo. Monken Enlists For Army Security Agency

George N. Monken, son of Mr. and Mrs. Ralph A. Monken, 2301 Lee avenue, enlisted this week through the Army recruiting station, 1340 Niedringhaus avenue, and is now undergoing basic training at Ft. Leonard Wood, Mo.

A 1961 graduate of Granite City high school, Monken was accepted for enlistment in the Army Security Agency and will enter one of the ASA Schools at Ft. Rucker, Ala., where he was attending SIU-SW campus prior to enlisting.

While a court ruling has challenged the code, Hutson noted that 1965 legislative action exempting schools built from 1955 to 1965 in effect ratified the code. Hutson, legal advisor to State Superintendent of Schools, stressed that pre-1955 and post-1965 schools, surveys on buildings constructed prior to Jan. 1, 1955, must be met the code.

2 Madison Enlistees Complete Basic Training

Pvt. Billy G. Love, son of Mr. and Mrs. George Love, 112 Gareche Homes, and Pvt. Michael G. Bargiel, in of Mr. and Mrs. Paul V. Bargiel, 1817 Third Street, both of Madison, are home on leaves after completion of basic training at Ft. Leonard Wood, Mo.

Pvt. Love will go to Ft. Ord, Calif., for advanced training in Infantry and Pvt. Bargiel will go to the Army Aviation School, Ft. Rucker, Ala., for advanced training as a gunner on a helicopter. After this training they will go to Airborne School at Fort Benning, Ga., which was completed prior to their enlistment in November. Their enlistment was accomplished at the Army recruiting station, 1340 Niedringhaus avenue.

Studio Art Classes To Start Tuesday at 'Y'

A basic studio art class for adults will start at 1 p.m. Tuesday in the YMCA. Classes will continue for a ten-week period each Tuesday from 1-3 p.m. A \$10 course fee will be charged. YMCA members, while non-members will pay a \$12.50 fee.

Instruction will be given by Mrs. Bonnie Fuller of the "Y" staff, who said that different phases to be covered in the course, include drawing with pen and ink, pencil or charcoal, design and tempera, concluding with work in oils or pastels. All students will work in the same medium, and individual creativity will be stressed, Mrs. Fuller said.

THIS I BELIEVE

1. Jesus Christ is the rock upon which His church is founded. He is the foundation. (1 Corinthians 3:11)
2. The Scriptures are fully sufficient in all matters pertaining to Christian Faith and Morals. (2 Timothy 3:14-17)
3. More and more people are discovering that United Pentecostal Church is offering more Bible—Full Salvation—by basing all fundamentals upon pure Scripture and by giving more church traditions a very important status. The people are learning that it is not possible to be lost by following the teachings of the Bible. These teachings are found at United Pentecostal Church. You too can discover for yourself the difference that is in a New Testament Church.

Varied Madison Service Projects

The Madison Junior Service club Tuesday night approved donations of \$100 to the March of Dimes, \$25 to the Tree of Lights, \$25 to the Feb. 18-20 Heart Fund drive and \$25 to the Greenpeace Activity Organization Christmas fund.

With Mrs. Julia Voloski and Mrs. Lorella Hyla as co-chairmen, the club will conduct a March of Dimes canvass of homes Jan. 31. Workers will meet at the recreation center and volunteers are being asked to call one of the chairmen. Peanuts also are being sold to aid the drive, and canisters have been placed in businesses.

Names for new members were submitted and voted on during the meeting, held at the recreation center. Mrs. Marilyn Schaffner presided and recent activities were discussed, along with the status of the charity fund.

Mrs. Ruth Fanning read activity points. Mrs. Deloyce Rhoads, Mrs. Judy Donaldson and Miss Jeanette Triani, hostesses, served refreshments.

Others present were Mesdames Ida Barnhart, Billie Benworth, Jean Voegeli, Alberto Mikoluzuk, Shirley Greer, Doris Patterson, Adrienne Warhol, Charles Fritzell and sustaining members, Mesdames Helen Daley, Eileen Huelkamp, Julie Pearce and Lillian Delp.

Prizes were awarded to Mesdames Barnhart, Voegeli, Mikoluzuk and Daley.

HILL TOPPERS MEET AT ST. JOHN CHURCH

The Hill Toppers of St. John United Church of Christ met Tuesday afternoon in the church fellowship hall.

The devotional was "The Power of Prayer," and singing of favorite hymns followed.

Thirty-seven members were present and three new enrollments, including Mr. and Mrs. The Branscomb and Henry Schreider.

After a fellowship hour and refreshments the meeting adjourned. The next meeting will be held Feb. 15 at the church.

Emerson PTA To Nominate

The Emerson school PTA met Tuesday evening, Mrs. Linda Leggett presiding, and the opening prayer was offered by Rev. Richard Hillon of the Army Depot. Named to a nominating committee were Mrs. Jackie Jackson, Mrs. Ina Wallace and Mrs. Florence Billinger. Plans were made for a candy sale Feb. 7.

School Supt. Russell Johnson was the speaker. His talk was on "Junior Colleges."

Attendance awards went to Mrs. Joyce Hart and Mrs. Evelyn Burniski's rooms, and other prizes were won by Joseph Robertson and Mrs. Irmagard Lale.

Refreshments were served by the mothers of the third and fourth grade rooms.

50 GC Seniors to Finish

Semester to End Next Week With Final Exams

The first semester of the academic year will come to a close next week in Granite City public schools, and final examinations are on the schedule.

It will be the last week of high school for about 50 seniors at Granite City high school who are completing their academic work. There will be no mid-term graduation ceremony, however, and the students will be included in the June commencement exercises.

Lawrence McCauley, GCIS principal, said that the final list of the seniors, who will be required to take finals, should be determined by tomorrow.

Final exams will be held Monday and Tuesday at GCIS.

Mark Twain Institute Taking Applications

Applications will be accepted until Feb. 1 for the Mark Twain Summer Institute for talented high school students to be conducted June 20 through July 29 at Clayton high school.

A catalogue of courses offered and application blanks are available from school principals. Tuition is \$65, and there is an application fee of \$2. Tuition aid is available in cases of need.

Students may take only one course, and classes will be held from 9 a.m. to 12:30 p.m. Mondays through Fridays. Courses are offered in literature and writing, art, music, foreign language, including Chinese, Japanese, German and Russian, mathematics, the physical and social sciences, economics, theory of law, political philosophy and urban revolution.

Soldier Attends End Of Vatican Council

St. Francis P. Manning, son of Mrs. Irma Manning, 2021 Hilbrand avenue, Madison, recently returned to Germany following a two-week tour of Florence and Rome, Italy.

While in Rome, he attended the final session of the Vatican Ecumenical Council and the closing Mass in St. Peter's Square. In addition, he was in attendance at four audiences with Pope Paul VI.

Stationed in Wurzburg, Germany, Manning serves as head chaplain's assistant. He recently attended Cardinal Spellman during his tour of Europe.

Having been in Germany since August 1964, Manning is to be discharged this month.

Stop Sign Charge Filed

Donald E. Weaver, 2606 State street, was charged with violating a stop sign on 26th street at Madison avenue after his auto collided with one driven by Mary M. Crabtree, 2217 Miracle avenue, about 8 p.m. Tuesday.

Eagles District to Meet Here and Install Lehne

The local Aerie, Fraternal Order of Eagles, will serve as host lodge at a meeting of District Seven Sunday when two local men will be among the officers installed. They are Jack Lehne, president, and Carl Buehler, outside guard.

Lehne, an employee of McDonnell Aircraft Corp., and is a past president of the local Aerie.

JA Capital Fund Drive to Start

A capital fund drive for Junior Achievement of Mississippi Valley, Inc., of which the local JA Center is a part, is being started to raise \$500,000, it was announced today by William J. Mann, regional vice-president of General Electric Co., chairman.

The drive is to raise funds to build and equip five new business centers, pay off mortgages on three centers and purchase of the fourth location.

Of the 11 JA complexes with 6000 teenage members, in the two-state area, 16 companies with about 400 participating high school boys and girls are active at the local JA Center, 3307 Wabash avenue.

New centers are needed to handle further growth and to accommodate many of the 11,000 high school youngsters who were deprived of the opportunity of joining last year because of the lack of facilities.

JA directors and advisory board members will take part in the campaign.

Junior Achievement is a nationwide educational organization which gives high school students practical pre-business experience by organizing and operating their own small-scale businesses with the guidance of volunteer advisers from business and industry.

The program is supported solely by businessmen in communities.

Young GOP Club Elects Mrs. Glasgow

Mrs. Joyce Glasgow was elected president of the Granite City Young Republican Club Tuesday evening at a meeting held at the Rose Hotel.

Other officers named were: Carol Hoelscher, vice-president; Linda Smith, secretary; Earl Meek, treasurer; Gene Dickey, program chairman; Mrs. Peggy Dickey, publicity chairman; Mrs. Glenna Jean Patterson, finance chairman; Harvey Cathey, membership chairman; Linda Korne, historian; Carol Hoelscher, campaign chairman; and Gloria Allen, social chairman.

Delegates to the Madison County Federation of Young Republican Clubs selected were Miss Hoelscher and Earl Meek.

Mrs. Glasgow, secretary of the county federation, announced a meeting of the spring board of Young Republicans to be held in Madison County in March.

The first time the county will be host to the state organization. The county federation, organized in 1965, will be in charge of plans for the event.

Mrs. Martine Serini, president-elect of the Granite City Republican Women's Club, was introduced to the group. After the business hour Miss Hoelscher led the club in a discussion of the coming year's activities.

Three Conduct Charges

Three Madison residents were charged with disorderly conduct at 11:10 p.m. by Granite City police after they were arrested at 25th street and Madison avenue.

They are Kenneth L. Sorenson, 25, of 1137 Market street; Peggy Sorenson, 20, of the same address; and Winston R. Mayes, 23, of 1721 Third street.

Boy, 4, Falls from Car Suffers Minor Injuries

Danny Phelps, four, son of Mr. and Mrs. Gail Phelps, escaped serious injury when his car door swung open and he fell out while his mother was turning from a Johnson road onto Wabash avenue about 12:30 p.m. Tuesday.

The boy, who had a tooth loosened, was treated at St. Elizabeth Hospital for contusions and abrasions to the left side of his face apart to his gums. X-rays were taken.

Fireman Answer Four Alarms, Little Loss

Granite City firemen responded to three alarms Tuesday evening and another on Wednesday morning.

A motor of a clothes dryer developed a short circuit at 5:15 p.m. at the home of Robert J. Davis, 2023 D'Arcy avenue, where an estimated loss of \$50 there was no damage when the blower motor of a furnace at the home of Donald Burk, 2433 Iowa street, caught fire at 5:30 p.m.

A light switch short circuit developed at the home of Mrs. Doris McLean, 3149 Aubrey avenue, at 7:45 p.m. Tuesday. There was no loss. The department was called to a trash fire in the alley behind the home of Girard Stein, 2257 Lee avenue. There was no damage.

Mrs. Harris Joins Staff At Madison County Federal

Mrs. Marilyn Harris has joined the official staff at Madison County Federal Savings & Loan, it was announced this week by A. H. Froehling, executive vice-president.

Miss Virginia Judd, assistant secretary and treasurer of the firm, resigned recently to complete her studies toward a bachelor of science degree in accounting at SIUCSW campus.

The firm's annual meeting for election of officers will be held Jan. 19.

A Tribute to the Beef Producers of Illinois and Missouri...

Every year these producers are supplying us, and other dealers, with better, more flavorful and more tender beef. In Illinois and Missouri, there are 72 Hereford and Angus associations dedicated to creating quality animals for your table. There are also other organizations such as the Shorthorn, Brangus and Santa Gertrudis groups. Each one vying with each other in what we call the "Battle of the Breeds". Never in over 50 years of meat specialization have we seen such a large percentage of cattle grading Prime, Choice and Good.

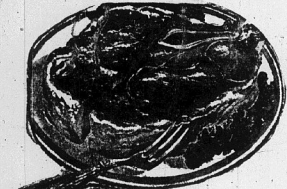

This is CEK Rollotrend...

Bred by Anthony A. Buford of Caledonia, Missouri, Grand Champion at Illinois, Kentucky and Indiana State Fairs. To specialists like Mr. Buford, and many others, we can thank for the great improvement in beef quality we are able to offer the customers of the Tri-City Grocery Co.

The Tri-City Grocery Co. takes great pride in the fact that the Beef sold in our stores is all Black Angus and White Faced Hereford cattle, bred and raised in these two great states, Illinois and Missouri. There is no finer beef raised anywhere...

SOCIETY

Sorority Honors Three Members

The home of Mrs. Lewis E. Rains, 2001 Garfield avenue, was the place of meeting last night for Xi-Epsilon chapter of Beta Sigma Phi sorority.

Mrs. Jack Tolliver, president, presided, and Mrs. Jack W. Calve reported on an executive board meeting to plan future projects. Nomination of three members to the international office in Kansas City for the bestowal of the Order of Rose honored Mrs. Paul Ashford, Miss Ruth Stoyanoff and Mrs. Calve. This recognition is given members who have been active in Beta Sigma Phi for a prescribed number of years.

Mrs. Philip Tsigoularis conducted a cultural program which benefited derived from a better understanding of nature. Mrs. Sanford and Mrs. Delores Dorich discussed understanding of the art forms of music, painting and creative writing.

A "Green thumb" auction followed with members bidding on house plants and floral arrangements.

The hostess served a dessert course from a lace-covered buffet table. Mrs. Dorich was the prize winner.

Legion Auxiliary Hears Aid Reports

Mrs. Loretta Goeller and Mrs. Mildred Rees reported on Christmas projects Tuesday evening at a meeting of the American Legion Auxiliary Post 113.

Twelve boxes of treats were taken to the veterans in the Madison County Sanatorium, and a box of clothing was sent to a needy family in Glen Carbon. There was also a gift to a shut-in member and get-well cards sent to Legion members on the sick list.

Plans were made for a joint meeting with the Legion on Jan. 25, when John Smith, who was working with a supply team in Vietnam, will describe the war there and show slides. The public is invited to attend.

In games prizes went to Mesdames Dorothy Johnson, Ethel Pettit, Kitty Morris, Dorothy Best, and Helen Qualks. Mrs. Ada Ditching was winner of the special prize.

Hostesses were Mrs. Melba Wade and Mrs. Cecelia Malotki.

NON-GRADED PROGRAM MARYVILLE PTA TOPIC

Arthur Menendez, Lake Principal and chairman of the non-graded committee, explained to the Maryville PTA Tuesday night how Mitchell and Wilson primary pupils are being grouped by achievement levels rather than as first or second graders, and are given progress reports but no grade cards. The pilot project is expected to be extended to other schools.

Joseph Owens spoke on instrumental music and the annual picnic was set for May 25. President Delton Grootbush reported the Area PTA appreciation dinner, Feb. 10, and plans were made for room Valentine parties. Mrs. Pat Baumbarger, Mrs. Dorothy Kinney and Mrs. Ida Weiss were appointed to a nominating committee.

Refreshments were served and the attendance banner went to Mrs. Arline Fox's second grade room. The PTA board will meet Feb. 8; Mrs. Sara Sowell, director of the gift program, will address the next unit meeting March 8.

DR. COLEMAN ADDRESSES GARDEN CLUB ON HAWAII

Dr. Leo Coleman spoke on a trip to Hawaii and showed color movies and slides to the Thorgate garden club Tuesday in the home of Mrs. R. C. Leu of Sunny Dell Acres.

All officers were re-elected for 1966 — Mrs. Evelyn Leu, president; Mrs. Beulah Miller, vice-president; Mrs. Geneva Paul, secretary; and Mrs. Elizabeth Lavelle, treasurer.

A dessert luncheon was served by the hostess and Mrs. Lillian Delps and Mrs. Mary Markham, co-hostesses. Mrs. Paul will be hostess Feb. 8.

Others present were Miss June Markum, Mesdames Clara Schilling, Erma Ernie, Ann Lee Beger, Mrs. Shirley Schilling and daughter, Mrs. June Leu, Mrs. Florence Rapp and Mrs. Charlotte Moore.

MACEDONIAN-BULGARIAN AIDE SOCIETY LUNCHEON

The Macedonian-Bulgarian Ladies' Aide Society held its January meeting in the home of Mrs. Mary Andrian, new president, presided and Mrs. Nevenka Kacileff and Mrs. Elizabeth Malincheff gave reports.

Mrs. Athena Gitchoff gave a reading on birds. A luncheon was served to 30 members.

Trust Bank Capital Stock Increased to \$600,000

A capital stock increase from 45,000 shares to 60,000 shares was approved yesterday at the annual stockholders meeting of Granite City Trust & Savings Bank.

In other action, bank officers named for promotion were Allen Jesse, promoted from vice-president to executive vice-president; John J. Polson, promoted from assistant cashier to assistant president; and Marvin Boyer, a loan officer, promoted to assistant cashier. Other officers were re-elected.

The capital stock increase amounted to a 33 1/3% boost in shareholdings. With the capital stock increase from \$450,000 to \$600,000, cash dividends for the year were declared amounting to \$1 per share payable quarterly on March 1, June 1, Sept. 1, 1966, and Jan. 1, 1967.

Review of Increases

The bank's capital stock in 1953 was increased from \$150,000 to \$300,000 by a 100% stock dividend. This was followed in 1954 with a 50% stock dividend increasing capital stock from \$300,000 to \$450,000.

Ernest Karandjef, president, announced at the meeting that 1965 had been one of the most successful and profitable years in the bank's history.

"Since the bank was founded in 1910, Granite City Trust has made every possible effort to increase financial service to the community. We have in-

vestigated many new concepts and have adopted numerous innovations which have been consistent with sound banking.

"At all times," Karandjef said, "we have tried to maintain a progressive approach to serving our community. It is apparent this approach has been the right one. Over the years, the bank has enjoyed exceptional growth and today we are at an all-time high of deposits, employees and profitable operations."

"But records are made to be broken, and we will work harder than ever in order to exceed our past achievements. These efforts, we feel, will be rewarded not only in increased growth of the bank but in a more significant sense, through the knowledge that we are making a contribution to the growth and stability of the community."

The bank officers re-elected were Henry D. Karandjef, chairman of the board; Ernest A. Karandjef, president and trust officer; Elmer A. Hurry, cashier; Barry Loman, vice-president; Anthony Zedek, vice-president; William C. Evans, Paul W. Niles and Elmer Rittenhouse, assistant cashiers; and Hildebrand, assistant treasurer.

Bank directors re-elected were Roy C. Barney, Nicholas R. Brink, William Brodus, Hubert E. Karandjef, Henry D. Karandjef, John McBride and Milford D. Walston.

Madison Jaycees Elect Darling

The newly-organized Madison Junior Chamber of Commerce elected permanent officers and completed organization last night at the Sportsman's Club.

George Darling was elected president, William Gushell and John Kopschak, first and second vice-presidents, Ronald Shaver, secretary, Charles Yeach, treasurer, and George Feeney, sergeant-at-arms.

Three directors to serve one-year terms also were elected. They are Gary Taylor, Robert Page and James Childers.

Guests were Donald Stehrage of Highland, a national director; John Dugan, president of Collinsville chapter; Paul Morris of Granite City, state vice-president; and Al Backus, vice-president of the Edwardsville chapter.

About 45 persons were present and tentative plans were made for a "Charter Night" program in April.

Training Conducted for GC Teacher of Gifted

A teacher from each Granite City grade school and junior high school participated in a two-day inservice training program Tuesday on social studies in intermediate grades, conducted by Douglas Paulson, consultant of the State Department of Program Development for Gifted Children.

Held at the administrative office and at Wilson school, was a demonstration class was conducted, the session also included

Three Persons Injured In 17 Auto Accidents

Three persons were injured in 17 auto accidents in the Quad-Cities area this week, including one which occurred on the highway and another where an auto struck a utility pole.

Miss Christine Parker, 62, of 2871 Highway 77, was injured when her auto collided with a tree, by Porter Lou, 55, of East St., LaMoine, who drove out of a frontage road onto Highway 203 at the Interstate 70 intersection at 6:15 p.m. Tuesday.

She was taken to St. Elizabeth Hospital where she was admitted with contusions and abrasions to her back, abrasions to her right fingers and lips and contusions to her chest. Lou was not hurt.

Geoff Lawrence, 46, of 2022 Edwardsville road, received minor injuries at 6 p.m. Wednesday when his car skidded on rain-slick pavement and crashed into a utility pole at Edwardsville road and McCambridge avenue in Madison.

Mrs. Bessie Stewart, 47, of 1002 Calhoun street, Venice, was treated at St. Elizabeth Hospital Wednesday for puncture wounds to her left leg suffered in a two-car collision about 3:30 p.m. at State and Third streets, Madison.

She was a passenger in a car driven by Mrs. Nancy Nelson, 1225 Calhoun street, Venice. Driver of the other car was King B. Lyons, 816 Jefferson road, Lyons.

Inspection by Mrs. Loretta Goeller, Mrs. Terry Hopkins and Henry Muhlenhauser, demonstration teachers at the Edwardsville gift-talented pupil project.

Sneak Thief, Shoplifters Hit Local Businesses

Middle-aged men in a black 1956 auto stole \$852 from a desk drawer at the Curtis Oil Co., 1817 Madison avenue, while the auto was being serviced at 8 p.m. Wednesday. It was reported 10 minutes later by Curtis Thompson, proprietor.

The drawer was forced open by pulling it. The lost included five rolls of quarters, six rolls of dimes, a \$20 bill and the rest in \$1, \$5 and \$10 bills.

Two Shoplifters

Two women shoplifters stole five women's suits valued at \$40 each from the Leader Department store, 19th and State streets, between 1:30 and 2:30 p.m. Wednesday. It was reported at 4:45 p.m. Two were beige, two were black and one was dark green.

Bonds, Coins Stolen

The theft of 40 U.S. Savings Bonds, all with a face value of \$25 each, was reported to Madison police at 6:30 Monday by the left leg suffered in a two-car collision about 3:30 p.m. at State and Third streets, Madison.

She was a passenger in a car driven by Mrs. Nancy Nelson, 1225 Calhoun street, Venice. Driver of the other car was King B. Lyons, 816 Jefferson road, Lyons.

Purchase value of the bonds would amount to \$750, not including any interest on those held for various lengths of time. The house was ransacked.

1965 Auto Stolen

Pete Munoz, 1736 Poplar street, reported at 1:20 a.m. Wednesday that his 1965 two-door black over white auto was stolen while it was parked at Niedringhaus ave-

Burglars stole \$10 from a dresser at the home of Beulah Bower, 2535 Sheridan avenue, between 3 and 6:30 p.m. Wednesday. Entry was gained by breaking a storm door glass.

Plant Office Burglarized

The Young & Greenwalt Co. trailer office was burglarized by thieves during the weekend who apparently made a second visit to obtain more loot, it was reported Monday.

A window was broken out and a metal cash box containing \$8 in change and bills was taken. The office was ransacked, with ink thrown on several boxes and items on a desk. On the second visit, a soda machine was pried open and a cutting torch was used to get a coin box containing \$5 in silver.

A variety of items were stolen in a burglary at the Eads Sales Co., 1100 Niedringhaus avenue, it was reported at 8:55 a.m. Tuesday.

Loot included a transistor radio valued at \$30, a steel head hammer valued at \$2, 20 five-cent postage stamps, 10 cans of coffee valued at \$7, a skill saw, a drill and saw wrench, a quarter-inch drill and \$30 in silver. There was no sign of forced entry.

Chain saws and gasoline valued at \$140 were stolen in a burglary at the home of Leo Griffin, Rural Route One, between 9:25 p.m. Tuesday. The door was unlocked.

Melvyn Wiesman Takes Oath as New Magistrate

Melvyn Wiesman, son of Dr. and Mrs. Irvin Wiesman, 1109 Twenty-seventh street, was sworn in Monday as new judge of the Fifth Magistrate Division of St. Louis county, replacing Peter J. Maniszcak, who was elevated to the circuit court bench.

Appointed by Gov. Warren Hearnes, the new Granite City man is a graduate of Washington University and the University of Missouri School of Law and has been a member of the Green and Raymond law firm; he will give up his law practice. He recently served in the judge advocate's general's section of the 102nd Infantry Division, Army Reserve. He, his wife and their son reside at 8475 Asherton drive, Vinita Park.

4-H Club Inducts Two

Mike Allen and Danny Cooper were accepted as new members by the Kirkpatrick Homes 4-H club Monday evening. Tim Beck and Mike Knight gave talks on safety and electrical terms, and James Burns gave a demonstration.

Chain saws and gasoline valued at \$140 were stolen in a burglary at the home of Leo Griffin, Rural Route One, between 9:25 p.m. Tuesday. The door was unlocked.

Former Alton Mayor Killed in Collision

Leo J. Strauf, 70, a former mayor of Alton, was killed at 4:10 p.m. yesterday, on Illinois Route 143, four miles west of Edwardsville, in a collision involving three cars and a pickup truck. Mr. Strauf was enroute home from his job as clerk for the Madison county board of review at the courthouse. He was pronounced dead at Wood River Township Hospital.

Illinois State Police said a truck driven by Edward Gilham, 26, of Edwardsville, was eastbound on Route 143 and skidded sideways into the path of the westbound auto driven by Mr. Strauf. Another westbound vehicle driven by Ronnie Slayden of Wood River, struck the rear of the Strauf car, pushing it into the other lane, where it was hit broadside by an auto driven by Franklin Stone of Pocahontas. The impact sent the Strauf car down an embankment.

Mr. Strauf served as Alton mayor in the late 1930's, the early 1940's and again from 1952 to 1957. He was defeated for reelection. He also was associated with an Alton real estate firm.

Survivors include a son, L. James Strauf, an Alton attorney and one daughter, Mrs. Jean Malone, also of Alton. Funeral services are tentatively set for Saturday at Alton.

Mrs. Dora Allmon, 76, Dies at Nursing Home

Mrs. Dora Belle Allmon, 76, of Greenville, Mo., the mother of two local residents, died about 8 p.m. yesterday, at the Colonades Nursing Home, following a six-month illness. She had been in the nursing home for 14 days.

A life-long resident of Greenville, Mrs. Allmon was a member of the Methodist church in that community. Her husband, Isaiah, died in 1950.

She is survived by two daughters, Mrs. Olive Chanman, Granite City, and Mrs. Louise Knox, St. Joseph, Mo.; two sons, Melvin Allmon, Granite City, and Wilfred Allmon, St. Louis; three sisters, Mrs. Dosh Matthews, Middlebrook, Mo., Mrs. Dale Chitwood, Ironton, Mo., and Mrs. Delberta Huff, Bismarck, Mo.; two brothers, D. E. McCabe, Bismarck, and Delmar McCabe, Ironton; five grandchildren and five great-grandchildren.

Funeral arrangements are given in today's obituary column.

State Issues Charter For New Motel in Area

Secretary of State Paul Powell this week issued a new corporation charter to the K.M.G. Co., 1628 Cedar street, Granite City, to erect, maintain and operate a motel or hotel and to issue 6000 shares of common stock with a par value of \$100.

Principals named in the charter are: Konstantin Christich, Helen M. Christich and Mrs. Andrenka Eitmooff, all of Granite City. Negotiations for land purchase on the outskirts of Granite City, along with other construction planning, presently are under way, Mrs. Christich said, with details probably to be completed by Feb. 1.

Services Yesterday For Mrs. Kackley

Funeral services were held yesterday for Mrs. Julia Ann Kackley, 73, of 714 Third street, Venice, who died Monday at St. Elizabeth Hospital.

Omitted from the names of survivors, given in an earlier edition, was a sister, Mrs. Ann Mitchell of Venice. Other survivors include one son, Wesley Edwards, and two daughters, Mrs. Nadine Meehan and Mrs. Vivian McKinney, all of Venice.

Animal Shelter Tours

The Granite City Animal Shelter committee met Tuesday evening at the city hall, and Mrs. R. E. Chapman, president, announced that the Brownies, Girl Scout or other organizations are welcome to tour the shelter. No appointment is necessary.

Venice Lions Planning Ladies' Night Jan. 22

Venice Lions members held a
dinner meeting Monday evening
at the Army Depot, with 23 in at-
tendance and President Jim Mil-
ler presiding, and made plans
to hold "ladies' night" Jan. 22
at Augustine's in Belleville.
Lions may also invite guests.

Tom Williams will have charge
of arrangements, with Milton
Morris chairman for selection of
a dance band for the evening.

Fred Pumph discussed the pos-
sibility of purchasing "blazers"
for the Venice high school basket-
ball team, and tentative plans
were made to hold a barbecue
on two weekends as a fund-raising
project.

A guest at the meeting, Capt.
Wilson, who has just returned
from Viet Nam, gave a talk on
his experiences overseas. A
question period followed. Next
meeting will be held Jan. 24 at
the Elks club.

Civil Jury Favors Defendant in Trial

A civil court jury returned a verdict in favor of the defendant at about 8:30 p.m. Tuesday in a dram shop suit heard before Associate Judge Austin Lewis in the Granite City division of circuit court.

The case was filed by Dorothy Takacs, administratrix of the estate of Joseph Takacs, against Edward Fuchsbach, doing business as the Judy Inn tavern at Highway 162 and 137. The complaint, in asking \$20,000, charged that Takacs became intoxicated in the tavern before he was killed in an auto collision Dec. 22, 1965, on Route 162 near Stallings.

Dated this 27th day of DECEMBER, 1965.

Dr. SIMS says... SAFEGUARD YOUR HEALTH

MEASLES MAY BE SERIOUS IN ADULTS
Don't be fooled by measles! Adults who have never had the disease are just as vulnerable to it as children. And believe me, when measles strikes adults, it can really strike hard.

Why? Because measles is a virus disease which can make one highly susceptible to such serious and sometimes fatal complications as bronchitis and pneumonia.

While most of these complications are caused by secondary infections, the measles virus itself may produce encephalitis, a disease which primarily attacks the brain.

Result? Mental retardation. Each year over 3,000 victims of measles encephalitis are doomed to spend the rest of their lives in mental institutions.

Fortunately, measles very rarely strikes twice. If you've had a bout with it, the disease has probably conferred immunity for life.

However, if you're among the 10 million American adults who have never been exposed, you may have epidemic measles to look forward to.

Vaccine Effective
Since measles epidemics may occur as frequently as every other year in large cities, and every four or five years in small communities, very few—including the elderly—lose a single life by undergoing their lifetime. However, sary.

with today's measles vaccines, these epidemics could be eliminated.

Of the two types of measles vaccines, the live vaccine—in a single dose—confers lifetime immunity. But it is not recommended for some pregnant women; those with chronic diseases; persons taking certain drugs, such as cortisone or radiation treatments; individuals who have recently received significant amounts of gamma globulin; and anyone allergic to eggs or egg products (eggs are used in making live virus vaccine).

Should these groups be especially prone to develop serious complications from possible exposure to the disease, there is a second vaccine—the so-called killed vaccine—which may give temporary immunity. Made from an inactivated virus, it is administered in three doses at monthly intervals, and requires periodic boosters.

Threat to Unborn
Neither of these vaccines work against German measles, which, though normally harmless, threatens unborn babies with deformity or death.

Between its killing and crippling effects, measles has been a more serious disease than polio ever was.

And when you consider that measles, like polio, may be prevented with vaccine, even the loss of a single life is unnecessary during their lifetime. However, sary.

Two Local Seamen Visit Hong Kong

Two local seamen, serving aboard different vessels, recently completed a rest and recreational visit to the British Crown Colony of Hong Kong. Both ships have seen action in Vietnamese waters.

The men are Fire Control Technician Seaman George T. Walsh, USN, son of Mr. and Mrs. Thomas H. Walsh, 2320 O'Hare avenue, who is serving aboard the destroyer USS Nicholas, and Seaman Apprentice Leo L. Kalips, USN, son of Mr. and Mrs. Leo L. Kalips Jr., 614 Niedringhaus avenue, who is stationed aboard the attack transport USS Calvert.

The latter ship, a unit of Amphibious Squadron Five, operating out of San Diego, Calif., has steamed over 15,000 miles on her current tour in the Far East. She has twice been to Vietnam, the first time as a key unit of the sea force carrying South Korea's famed "Tiger" division to Qui Nhon and the second time conveying a company of U. S. Marines to Da Nang.

During a visit to Japan, following a lull in fleet operations, Calvert crewmembers donated funds to a small orphanage near Tokyo, continuing a project which had been started by men aboard the ship in 1957. In the Philippines, the crew also sponsors the education of five Philippine students at Castillejos Academy on the main island of Luzon.

Walsh's vessel, USS Nicholas, again is operating with the Seventh Fleet's Anti-Submarine Group One off the Vietnamese coast. Used primarily in anti-submarine warfare, the ship also operates offensively against surface ships, defends against airborne attack and provides gun-fire support for amphibious assaults. The vessel normally is assigned out of Pearl Harbor, Hawaii.

Zip Code Change Due In Area on Saturday

Granite City's new single, five-digit zip code number 62040 starts Saturday, replacing the old series of three different numbers for various sections of the city, according to Postmaster W. T. Overbeck.

The move, part of a nationwide program to streamline the zip-code system, includes Granite City as one of 64 cities in which two or more codes will be merged into one.

The plan was delayed until Jan. 15 to avoid confusion during the Christmas mailing season when mail volume was at its heaviest, Overbeck said. Mail users may continue to use their old zip-code number on their envelopes and other printed supplies until the present supply is exhausted.

Business firms will not be required to change their files immediately, but will be permitted to make the transition as they make routine changes.

\$12,092 School Lunch Aid During October

Public and parochial schools in the Quad-Cities received a total of \$12,092 in state funds during October under the school lunch and milk reimbursement program, it was announced this week by Wilbur R. L. Trimpe, Madison county superintendent of schools. Total reimbursement for the county amounted to \$43,512.

A breakdown by school districts, showing amounts for lunch and milk programs in that order, follows: Venice — \$275, 5271; Granite City — \$674, 3127; Madison — \$880, 3917; St. Mary's — \$158, 362; St. Elizabeth — \$337, 319; and St. Margaret Mary — \$155, 541.

Brewer Director of Smith Corp. Purchases

Fred L. Brewer, a veteran member of the A. O. Smith Corporation's purchasing department, has been appointed director of purchases, a newly-created position, it was announced today at Milwaukee, Wis. Author of numerous articles and a leader of seminars on purchasing, he has been the firm's general purchasing agent since 1959.

An alumnus of the Southwest College of Commerce at Houston, Brewer joined A. O. Smith in November 1945.

In announcing Brewer's appointment, Richard A. Wendorf, A. O. Smith's director of procurement, also named Robert A. Horvot, a new post of assistant director of purchases, for facilities.

yet, with A. O. Smith since May 1942, will continue as the firm's real estate manager and purchasing agent with responsibility for facilities.

Granite City for Robert Murphy in Madison county circuit court in Edwardsville as the result of an auto accident last Nov. 1 at 23rd and Benton streets.

\$50,000 Suit Filed Over Auto Accident

A \$50,000 suit has been filed against Terry Greathouse of Granite City for Robert Murphy in Madison county circuit court in Edwardsville as the result of an auto accident last Nov. 1 at 23rd and Benton streets.

Murphy charged Greathouse failed to make a stop sign, and alleged negligence in causing the collision. He claims severe and permanent injuries.

Receipts during the month amounted to only \$2031, which

included \$280 in police fines, \$3 in city auto licenses, \$1 for a building permit and \$1102 in state sales tax. Previous balance was \$72,189.

Expenditures during December included \$3167 for the street and alley department and \$3362 for the police department. Cost of maintaining the city hall was \$390, while city officials were paid \$2545.

Legal costs were \$270; sanitary and health department, \$355; garbage collection, \$308; light and water, \$685; insurance, \$1145; printing \$58; and the fire department, \$8475.

Other items were civil defense, \$50, and maintenance of arterial streets, \$244.

Agriculture Scholarships Available for U. of I.

The Federal Land Bank of St. Louis will again award two \$500 scholarships through the College of Agriculture, University of Illinois, Urbana, for the 1966-67 school year. This will be the 10th year that scholarship awards have been made.

Ralph E. Nowlan, president of bank, pointed out that boys who are seniors in high school are eligible to participate for the scholarships if they plan to attend the College of Agriculture in Urbana next fall. Application forms and information regarding the awards program may be secured from vocational agriculture teachers.

Engineering Grants Offered by University

High school seniors all over the country have been invited to compete for four full-tuition undergraduate fellowships in engineering to be offered annually by Washington University beginning in the fall.

Named the Langsdorf Engineering Fellowship in honor of Alexander Langsdorf, dean emeritus of the school of engineering and applied science, the awards will have an annual value of \$2,000, including full tuition remission and a stipend.

Deadline for applications is Feb. 1. Eight finalists will be notified of their selection on March 1.

DAVID A. MCCLAIN
McClain Named Head Of Frat Pledge Class

David Allen McClain, a freshman at Union University, Jackson, Tenn., has been named president of his Alpha Tau Omega fraternity pledge class.

He is majoring in biology and mining in chemistry. He is the son of Mr. and Mrs. John McClain, 2823 East 25th street, and is a 1965 graduate of Granite City high school.

Communications Bldg. At SIU Being Readied

Southern Illinois University's School of Communications has started moving into its new home, a \$3.9 million building that will replace more than 15 barracks buildings, former residences and made-over quarters scattered across the Carbondale campus.

Another facility opened to students when they returned from Christmas holidays was a remodeled location for the Health Service. A one-time sorority house in SIU's small group housing area, it has been redesigned and equipped for expanded diagnostic, treatment and emergency service.

The communications building, financed from SIU's share of the state universities bond issue, will provide modern classroom, office, laboratory and production facilities for the departments of speech, speech correction, theater and radio-television, when moving operations are complete this spring.

To be added in a later development stage is space for the departments of journalism and printing and photography.

2 New Graduate Degree Programs Offered at SIU

Two new graduate degree programs will be offered at Eastern Illinois University at the beginning of the fall quarter.

Master of Science degrees in physics and speech correction have been approved by the board of governors of State Colleges and Universities and the Illinois Board of Higher Education.

Religion—Family Life Study to be Conducted

A University of Illinois professor is directing a survey to obtain detailed information on the way family living and formation are related to religious living and activity.

Bernard Lazewicz, U. of I. department of sociology at Urbana, said that a large-scale survey will be conducted in a random sample of homes throughout the state. He added that 300 personal interviews will be divided equally among Protestants, Catholics and Jews. The study is being done by the U. of I. and Brandeis University.

Purpose of the project is to gain a detailed picture of religious life and trends in Illinois and to see how religious outlook influences family stability and growing careers, and the handling of various special problems.

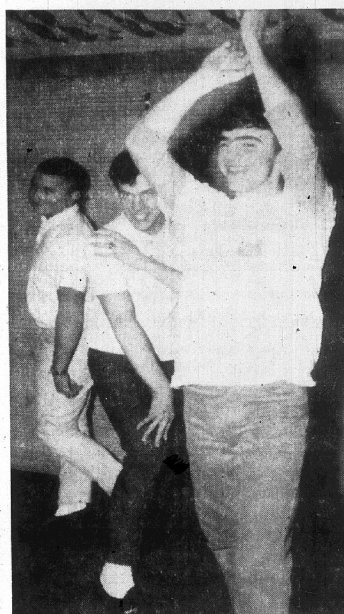

GC Nursing Student Training at Alton State

Lynn D. Burd, 2309 Village Lane, is one of 12 senior nursing students at the Southern Illinois University-Southwestern campus studying psychiatric nursing at Alton State Hospital under a new affiliate program offering academic credit.

The 10-week course, which began last week, will provide a working experience under actual hospital conditions. Training is given three times a week from 7:30 a.m. to 12:30 p.m. The students will receive nursing degrees in the spring.

Medical Center Grants

A total of \$128,219 in grants has been accepted by the University of Illinois Medical Center, Chicago, during December. Ten grants, amounting to \$123,985 were awarded by the U. S. Public Health Service.

Writers' Conference Planned by SIU-SW

Robert Penn Warren, famed novelist and poet, will headline the program for Southern Illinois University-Southwestern's Seventh Writers' Conference to be held in St. Louis on Feb. 5-6.

The conference will be sponsored by the Theta Sigma Phi, professional women's journalism fraternity.

Warren, author of "All the King's Men" and "Room Enough and Time," will give the keynote address at the conference in the Statler hotel. His many awards include Pulitzer prizes in both fiction and poetry.

Other featured speakers on the two-day weekend program will be St. Louis writers Shirley Selfert, novelist, and Ruth Collins, author of books and stories for children; SIU Prof. Harry T. Moore, biographer and critic; Clarissa Start and Tom Yarbrough of the Post-Dispatch staff; and SIU Prof. Nicholas Ford, editor of the literary quarterly PELL, and former associate editor of Poetry magazine.

James L. C. Ford, conference founder and head of the University's magazine sequence, will discuss "The Wonderful World of Magazines."

Further information and registration forms may be obtained through H. Bruce Brubaker, assistant dean, Division of University Extension, SIU, Edwardsville.

Coast Guard Seeking College Graduates

The U. S. Coast Guard is seeking college graduates for its February 1966 class at the Officer Candidate School, Coast Guard Reserve Training Center, Yorktown, Va.

Successful candidates will be commissioned as ensigns in the Coast Guard Reserve upon graduation. They will be required to complete three years on active duty after receiving their commissions.

To qualify, the men must be between 21 and 28 years of age and must be college graduates or seniors who will graduate before Feb. 13.

The officer candidates will receive 17 weeks of intensive, highly specialized training in navigation, seamanship, gunnery, damage control, anti-submarine warfare and other subjects.

In addition graduates will be eligible for flight training. For complete information write Commandant (PTP-2), U. S. Coast Guard, Washington, D. C., 20226.

PERFORMANCE THE CHEVROLET WAY

It's our Turbo-Jet 396: the V8 strong enough to run your Chevrolet and its automatic transmission, power steering, air conditioning, power windows, AM/FM Multiplex Stereo radio. And more. Without even breathing hard. Reason is, a Turbo-Jet V8 breathes deeper. Breathes freer. Delivers more usable power whenever you need it—like for safer passing. Works more efficiently. Where the smaller engine buries, a Turbo-Jet V8 just loafs along. Smoothly. Quietly.

How'd you like to drive behind one of the best V8s ever made? That, you do at your Chevrolet dealer's. And nowhere else.

We offer two Turbo-Jet 396 V8s for '66. You can order 325 hp in any Chevrolet; 325 or 360 hp in a Chevelle SS 396. There's also a 427-cu-in. Turbo-Jet (up to 425 hp) available in Chevrolets and Corvettes.

L. to r.: Caprice Custom Coupe, Corvette Sting Ray Coupe, Chevelle SS 396 Sport Coupe. These and all the '66 Chevrolets come with 8 new safety features standard, including seat belts front and rear. Buckle up before you budget!

The escorts will be chosen by the candidates. The theme for the occasion is "Fantasy Land." Colors will be red and white. The event is semi-formal. The Coachesmen will play. Admission is 50 cents for members and 75 cents for non-members.

ISU Selects Names For Residence Halls

A former U. S. assistant secretary of agriculture and his wife and two prominent educators have been honored by Illinois State University. Now, with the naming of the new east campus 18-story twin tower residence hall complex scheduled for completion next fall.

The two towers, the tallest dormitory university buildings in Illinois, will house a total of 1592 students.

The center for the complex, serving both towers with recreation-lounge and food facilities, has been named for Mr. and Mrs. Carl Vrooman of Bloomington. Vrooman served as first assistant secretary of agriculture during the two terms of President Woodrow Wilson and was a special envoy for the President to France. He and his wife, a niece of Adlai E. Stevenson, U. S. vice-president from 1893-97, are authors, lecturers and art collectors.

The north tower, for men students, is named for the late O. L. Manchester, professor at the university from 1891 until his death in 1928 and dean of the university during 1911-28. The south tower, for women students, will be known as Hewett hall, for Dr. Edwin C. Hewett, president of the university from 1876 to 1890.

Summer Music Camps Announced by U. of I.

Illinois Summer Youth Music will open its 18th season, June 26 at the University of Illinois in Urbana. Prof. Daniel J. Perrino, head, extension in music, announced today.

Posters, graph calendars, application blanks and other materials have been mailed to scholarship-issuing organizations and to all junior and senior high schools in Illinois, according to Robert L. Schaefer, ISYM registrar. Application blanks also have been sent to those 1965 ISYM pupils who may be eligible to return.

Young musicians interested in attending ISYM for the first time should get in touch with their school music instructors and directors.

Thirteen two-week camps and two one-week workshops will be held. March 1 is the deadline to file applications. Registration for the two-week sessions will be \$80 per student.

Though more than 60% of all pupils attend ISYM camps on scholarships furnished by service clubs, music clubs, school music organizations and other sources, students do not have to have a scholarship to attend.

St. Louis U. Band Plans Concert Sunday

The St. Louis University concert band will present its annual winter concert Sunday at 8 p.m. in the University Theatre, 3642 Lindell Blvd., St. Louis. The concert is open to the public without charge.

Highlights of the program will be Leonard Bernstein's "Overture to Candide," Gustav Holst's "Second Suite for Band," selections from the Broadway musical "Fiddler on the Roof" and "Dixieland Holiday" arranged for band by Michael Grady, trumpeter with the university band. The band is under direction of Edward A. Kline.

Five Art Students To Study in Italy During Summer

Five Granite City high school students will study art in Italy this summer, Eugene Aiasal, art department director, announced.

They will participate in an art education program in Rome and in Perugia, Italy, under the sponsorship of the American Institute for Foreign Study.

They are Tom Harris, Linda Sabo, Joyce Buford, Pamela Bader and Sue Prowett. They will be accompanied by Miss Wanda Wands, GCHS art teacher, who currently is studying Italian.

The course will be conducted July 2-Aug. 8 at the Italian University for Foreigners in Perugia and will include classes in sketching, painting and sculpture, in addition to the Italian language.

A recreation program also has been arranged for the students, juniors and seniors who will travel by air with students from various parts of the United States.

They will attend classes five days a week and also plan to tour other parts of Europe.

Southern Illinois University has been selected as one of 14 sites in the U. S. for national security seminars to be conducted by the Industrial College of the Armed Forces in 1966.

Writing Degree Now Available at SIU-SW

A bachelor of arts degree in professional writing is now available to students at Southern Illinois University's Southwestern campus.

The new program is being offered in response to requests from news media in the area. It differs from most journalism programs, however, in that it focuses more directly on the mechanics of writing and gives the student greater leeway in his choice of courses.

Requirements for the degree include 14 hours of English, with emphasis on composition; 12 hours of journalism; nine hours of a foreign language at the intermediate level; eight hours of philosophy; and 29 hours of approved electives.

The elective courses cover such fields as economics, history, American fiction and drama, literary criticism, foreign policy and fundamentals of radio and television.

A. P. Green Co. Plans New Texas Building

The A. P. Green Refractories Co. has announced plans for construction of a \$3.5 million dollar plant which will convert ordinary sea water into a high-quality raw material for use in manufacturing a basic better brick.

Construction of the plant, which will be located in Freeport, Texas, about 60 miles south of Houston on the Gulf of Mexico, is part of a long-term objective of expanding the Green product line and production facilities. The new facility has been designated as the Freeport division of the A. P. Green Refractories Co.

A company spokesman said many years of planning and research were involved in the decision to build the plant which will make available a much larger supply of the high-quality raw materials.

The Freeport location was chosen to enable the new facility to work in conjunction with an existing Dow Chemical Co. plant which separates a special chemical from sea water. Dow Chem-

Jaycees' Annual Banquet To Feature Talk by Buck

Jack Buck, well-known St. Louis sportscaster and Knox radio sports director, will be the guest speaker Thursday, Jan. 20, for the Granite City Jaycees "Bosses Night Banquet," to be held at Tony's restaurant on Highway 3, near Mitchell.

Announcing the location for this year's dinner, Dr. E. L. Strothoff, president of the Jaycees, said the cocktail hour will start at 6:30 p.m., with dinner served at 7:30. Reservations are limited to Jaycees and their guests, with about 80 persons expected to attend.

In addition to broadcasting St. Louis Cardinals baseball games, Buck recently concluded the football season as sports voice of the Chicago NFL Bears. In 1964 he was commentator for network telecasts of American Football League contests.

Married and the father of six children, Buck, a graduate of Ohio State University, also holds forth on a nightly sports show.

Also highlighting the Jaycees annual banquet will be the presentation of the "Distinguished Service Award" to a local young man who has contributed outstanding service and leadership in the community. Dr. Strothoff said the selection committee is scheduled to hold its initial meeting this week to consider nominations submitted by local organizations and individuals.

Judging for the award is based on participation in all-sports community activities; contribution to community welfare and lasting contribution to community affairs—exhibition of leadership ability; evidence of personal or business progress; and co-operation with individuals and civic organizations.

Candidates nominated must be between the ages of 21 and 35 years and may be proposed by clubs, groups, or individuals for noteworthy achievements. Nominations are not required to be Jaycees.

Previous winners are William F. Winter, Earl DeZauey, Arthur Weizer, Robert D. Toland and Earl Parsons.

Rulings by Clark On Circuit Clerk, Legislator Pay

Clerks of circuit courts in Illinois may not receive the higher range of salaries voted them by the last General Assembly during their present terms of office. Attorney General William G. Clark has ruled.

Instead, Clark's opinion advised State's Attorney L. E. Ellison of Whiteside county, such salary increases will become effective with the beginning of the next succeeding term of office.

In other new opinions, Clark has held that:

The increase in salaries for Illinois State Senators and members of the House of Representatives upheld by the Supreme Court recently is not retroactive to any period of time prior to Jan. 6, 1965. This is the date on which the 74th General Assembly convened. Subsequently, the Illinois Supreme Court approved the salary increase measure and later denied a rehearing of that decision.

Circuit or district probation officers outside of Cook county are entitled to the \$2000 per year salary increase voted them by the 74th General Assembly; this will bring their annual salary to \$8600.

Entire existing high school and community school districts need not be included in a petition creating a Junior College District under provisions of the Public Junior College Act.

Further, Clark's opinion advised Frank F. Fowle, chairman of the Illinois Junior College Board, the tax of not to exceed three cents per \$100 of equalized assessed valuation for junior college educational purposes, authorized by the Junior College Act, must be levied on the entire school district whether part is or is not within and part without the college district.

School districts in Illinois are authorized under the Illinois School Code to accept property transferred to them by the federal government under its "deferred use" plan.

No one is eligible to serve as trustee of a village who is in arrears in the payment of any tax or indebtedness due the village.

Operations of the Commission on State Government are valid, even though the organization of the commission was not effected within the 90-day period following the adjournment of the 74th General Assembly.

Marriage Laws

Non-residents of Illinois must conform to the statutes of their own state before they can be married in Illinois.

City fire fighters who occasionally drive fire trucks on other fire fighting apparatus are not required to have a chauffeur's license.

Associate clerks of the circuit court who formerly were clerks of probate courts will not receive the additional salary granted by the General Assembly to associate clerks of the circuit court who formerly were clerks of county courts.

The Illinois Sanitary Water Board has no jurisdiction over privately-owned Sportmen's Club Lakes, near Duqu, nor over any other privately owned water in the state. For this reason, Clark's opinion advised Clarence W. Klassen, technical secretary of the Sanitary Water Board, he will not heed the request of the board to take action to recover damages of \$4374 plus penalties for a fish kill in the lake.

Cookie Sale to Aid in Buying Established Camp

Mrs. Russell Grisham, Altan, general chairman of the 1966 product sale for the River Bluffs Girl Scout Council, announced today that the kick-off luncheon and training session for neighborhood and district cookie sales personnel is being held today at the Lewis and Clark restaurant, East Altan.

Information and supplies for district, neighborhood and troop cookie sale chairman is being distributed," Mrs. Grisham said. She emphasized that the purpose of the cookie sale is not only to supplement the treasuries of individual troops but also to add to the Girl Scout council's "property fund," resources for purchase and development of sites in and near the council area to support outdoor Girl Scout programs. A long-term project is purchase of a council-owned site for established camp. During the years of the council's existence, facilities for established camp have had to be rented from the state. This places a restriction on the number of campers who can be served in a season, on the length of time camp sessions can be offered, and on optimum program use of the site.

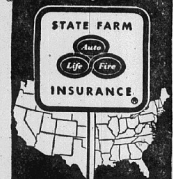

Five varieties of cookies will be sold, at 45 cents per box. Scouts of Junior, Cadettes and Senior age will be taking orders from Jan. 28 through Feb. 5.

IRS Provides Listing For Deduction of Sales Taxes

Illinois taxpayers may deduct state sales tax in their 1965 income tax returns by using a state sales tax table as a guideline, according to Jay G. Philpott, district director of Internal Revenue for central and southern Illinois.

Philpott said that for the first time since it was introduced, the table has been printed in tax instructions mailed to taxpayers.

The table is based on a 1960-61 study of consumer spending patterns by the Bureau of Labor Statistics and shows the average amount of state sales tax paid by Illinois residents. Similar tables have been prepared for 39 other states and the District of Columbia.

The table omits the state sales tax on automobiles purchased. Taxpayers who purchased automobiles during the year may add the sales tax paid on the purchase to the amount shown in the table.

Philpott reminded taxpayers that they are not required to use the table which is furnished as a guide for the convenience of taxpayers who itemize deductions on their federal income tax return but wish to use a "standard" deducting the actual amount of amount for sales tax that would

Kubant Retires From Navy Air Base Duties

Henry Kubant, 68, a former Granite Cityan now residing in San Leandro, Calif., has just retired from work with the Alameda Naval Air Station after 24 years of service with the U. S. Navy and the Air Station.

Kubant was employed by Granite City Steel Co. for 30 years before enlisting in the Navy in 1941. The family resided here for 40 years before moving to California.

Mr. and Mrs. Kubant now plan to live in Paradise, Calif., and do some fishing. Mrs. Kubant was an employee of Graham's Book Store during world war II.

Speeding Charge Filed

Wesley E. Thompson, 3008 Myrtle avenue, was arrested at 27th and Iowa streets Monday on a speeding charge. He was summoned for a hearing by Jan. 21.

Group Compiling History for Venice Library, Needs Data

In 1972, the city of Venice will be 75 years old. In 1973, it will have been a century since Venice was incorporated as a village.

Long before then, a detailed history of the municipality will have been compiled, thanks to a current project of the Venice Homecoming and Memorial Association.

The association, headed by Dan McGee, is compiling historical material in a large room on the top floor of the Venice city hall. The quarters may soon be piled high with books, pictures and other records if the association is successful in borrowing them from residents.

Rephotographing Planned
The word "harrow" is used because the material, after being sorted, cataloged and photographed, can be returned to its owners.

Former Madison Man Named to School Post

C. B. Green of Springfield, formerly of Madison, has been appointed to the position of supervisor of purchasing for the Springfield public school system, it was announced this week.

He joined the Springfield faculty as a high school social science instructor in 1958 and acquired additional duties of athletic manager in 1960. He completed his undergraduate work at Illinois State University in 1958 and earned his master's degree at the University of Illinois in 1962.

He is a graduate of Madison high school and is the son of Mr. and Mrs. Clifford Green, 1516 Sixth street, Madison.

BELIEVE IT OR NOT: We started with a well-built 3 bedroom brick home, with complete electric kitchen, 1 1/2 baths, attached plastered 2 car garage and a full basement and added the most delightful rathskeller and serving bar that we've seen in a long time. The yard shows the talented "green-thumb" because it has its own watering system and he fenced the yard to keep the kids in. Then he got tired, and added a complete intercom system, and a push-button automatic garage door opener in each car. Now that he has it all done, he is bored and wants to get out. All of it can be yours for \$23,950. See it at #6 Eastgate Drive.

GO-GO-GO & SAVE: See 206 Edison Ave. Price was not cut — it was slashed. Only \$7500 buys this big 6 room, basement frame in a good, older neighborhood.

Downtown Market Kiwanis Club Installs, Jellen is New President

Survey Interviews Held this Week

Twenty research graduate students from Southern Illinois University's school of business again conducted interviews in Granite City yesterday.

Downtown businessmen who were not interviewed before Christmas, as well as business men in other shopping areas of Granite City, were interviewed. In addition, general consumers were interviewed on the street to learn their wants, needs and general attitudes when shopping.

All interviews, both business and consumer, are confidential, according to Richard Judd of Granite City, head of the research team.

The market survey team conducting the research project, several members of which are area residents, "are performing an essential role toward the development and coordination of the thriving, dynamic and pleasant market for Granite City," Judd said.

Arthur Prell, director of the SIU business research, said that "both businessmen and consumers should recognize the need and importance of this survey and give these young men their full cooperation for the betterment of the city in which you live and work."

The overall survey is being sponsored by the Downtown Granite City Shopping Center Association in conjunction with the research bureau.

C&NW Plans 1966

Improvement Program

The Chicago & Northwestern Railroad's board of directors has approved a \$60,000,000 capital improvement program, the largest in the history of the railroad, according to Ben W. Heineman, chairman of Northwestern.

He said this week that expenditures for the 1966 year under this program will be almost 40% greater than those of 1965, more than double those for 1964, and will increase the aggregate capital outlay of the company for the past ten years to more than \$300,000,000.

In addition to the \$60,000,000 improvement program, the railroad company, substantial capital expenditures will also be made in 1966 by North Western's chemical manufacturing subsidiaries to provide for anticipated growth and to achieve cost reductions, Heineman pointed out. He added that more than \$31,500,000 will be spent for new equipment and for improvements to existing equipment. Approximately \$14,500,000 will go for improvements to operating property.

The company's equipment program calls for the purchase of more than 1900 new freight cars of various types at a cost of more than \$30,500,000 and the heavy repair and improvement of approximately 5000 freight cars. In addition, \$6,800,000 will be spent for 26 new locomotives. Virtually all of the new equipment scheduled for purchase in 1966 is now on order.

2228 Traffic Deaths In Illinois in 1965

Traffic deaths in Illinois during 1965 totaled 2228 or an average of more than six a day, provisional reports compiled by the Division of Highways and State Highway Police disclosed last week.

The 1965 death toll represents an increase of one per cent over the 2207 for 1964. December traffic deaths totaled 214. This is a decrease of nine per cent from the 234 deaths in the same month of 1964.

In February, March, August, October and November 1965, the number of persons killed in traffic accidents was greater than for corresponding months in 1964. The remaining months had fewer fatalities.

Installation ceremonies were conducted Monday evening for new officers of the Granite City Kiwanis Club, with Kiwanis District 14, Gov. Basil Compton of East St. Louis serving as the installing officer. The occasion also was marked by the presentation of perfect attendance pins to nine local members.

Those installed, following a dinner at the Rose Bowl restaurant, included Peter R. Jellen, president; Melvin T. Gilie, first vice-president; Michael Toudas, second vice-president; Marvin Barnes, treasurer; Alvin Gross, secretary; and directors, Herbert R. Schannott, the retiring president; Gross, Robert Lombardi, Eugene Frey, Bernard Miller Jr., Roy Graham and Guy Chiam.

Jellen, an Edwardsville general contractor, who has extensive business dealings and many friends in the Quad-Cities, also received a three-year perfect attendance pin. He previously served as first vice-president of the local Kiwanis.

Others presented perfect attendance pins, were Gilie, 20-year pin, Barnes, 19-year pin, Graham, 15-year pin, Gross and

Freeman Wolfe, eight-year pins, William Herman, seven-year pin, Schannott, five-years and Toudas, three-year pin.

The district official expressed his group's appreciation to the outgoing club officers on completion of a successful year. He acknowledged this month as the 20th anniversary of the founding of the Granite City Kiwanis, which was organized Jan. 24, 1946. After being chartered on April 13 of the same year, Compton said, the local club became the 162nd group formed in the Illinois-Iowa District.

Li. Gov. Compton went on to describe the duties of his office, which include coordinating all reports and activities of the ten clubs comprising District 14. Counties in which District 14 clubs are located include Alton, Wood River, Belleville, Edwardsville, Glen Carbon, Colleville, O'Fallon, Belle-Chair of Belleville, East St. Louis and Granite City.

A film shown by the district officer entitled, "The Man Stands Alone," related the history of the Kiwanis International, which was organized in Detroit, Mich., 51

years ago. It traced the progress of the men's service club to its current membership of more than 275,000 Kiwanis in 14 different countries.

Compton announced that the 1966 mid-winter district conference will be held Jan. 24 in Granite City, with the local club as hosts. Principal business will concern special training sessions for new club officers, the executive explained.

The dinner meeting and installation was attended by 15 members.

Census Bureau to Study Private Pension Plans

The Census Bureau plans to obtain information on the number of persons 50-64 years of age in this area, as well as throughout the nation, who are covered by private pension plans, according to Director Theodore F. Olson of the Census Regional office in Chicago.

The pension plan information is being obtained for the U. S. Department of Labor's Bureau of Labor Statistics. These questions will be asked in addition to the regular monthly inquiries on employment and unemployment, included in the bureau's current population survey.

The survey also will include questions asked each quarter on consumer intentions to purchase cars, houses, and major household appliances in the next three to six months.

The information will be collected during the work week starting Jan. 17 from scientifically selected sample households in the area as well as other sample areas throughout the U. S.

Hairdressers Plan Show For Hair Styles, Fashions

Preliminary planning was initiated Monday evening for the third annual "Spring Fashion and Hair Style Show," to be sponsored by the Elite Hairdressers Association, Affiliate 33, at 2 p.m., Sunday, Feb. 20, in the Venice-Madison American Legion Home, 704 Broadway, Venice.

Proceeds from this year's event will go to the Granite City Association For Aid to Retarded Children, it was announced by Mrs. Evelyn Line, general chairman. Last year, a capacity audience of more than 1000 persons attended a similar show.

The first planning session, held in the home of Mrs. Line, 2101 Woodlawn avenue, was attended

by chairman of committees, They include Mrs. Rosalia "Babe" Jenkins, Mrs. Sharon Lenzi, Mrs. Dorothy Line, Mrs. Betty McBrian and Mrs. Joy Hutchinson, Mrs. McBrian and Mrs. Hutchinson also are serving as coordinating chairmen.

Departing from the usual practice in style shows, Mrs. Line said that fashions in the 1966 version will be provided exclusively by Helman's Style Shop. Each year, she added a different local store will be asked to participate in the project, along with beauty shop-owners in the Quad-Cities.

The show will highlight other observances of National Beauty Salon Week, Mrs. Line said.

Reinhardt Agency Expands Sales Staff

Expansion of the sales staff at the Reinhardt Agency, 1533 Edwardsville, was announced this week by Milton Reinhardt, who said further expansion of the agency is to be carried out in the near future.

The new salesmen are Lloyd Whitworth, 3222 Wilshire drive, who will sell real estate and insurance; and Gerald Kent, 13 Frontenac drive, who will sell real estate.

Whitworth is a former agent with a local insurance firm, and Kent has 11 years experience in real estate sales.
